YOUR HOSTS THIS EVEN

5 Anita

She's young, she's fun, and this is her first nude appearance in any magazine. Bet it won't be her last...

Diana

She's no lady! She *is* stunning, though, and stripped for action.

Claire 15

A 21 year-old legal secretary from Brighton, with a penchant for Bailey's on ice.

Shana

Curvaceous, cool and, it must be said, just a little bit crazy: "I'd like to date Prince Edward."

27

Sian and Debbie

Our delectable duo happen upon an open-air power-shower in the woods. Very fortunate.

WHERE IT'S AT

Mayfair Male 04

You Mayfair readers certainly aren't shy, are you? This issue's post-bag was positively bulging – keep 'em coming...

Nudes Report 12

Shaggable Sharon Stone shows us her star qualities (and very nice they are, too). Plus other bits of a newsie nature.

Blue Moon Party! 24

There's more to Thailand than temples and tourists – like a two-day tropical island rave that blows Goa off the map.

Simone Says... 26

She's big, she's black, she's beautiful. She's top US hard-core porn star Simone Domonique – and she's talking dirty!

Sex With Your Ex 34

We've all been there, but we haven't all done it – should you? And, if you should, what's the best way to go about it?

Scene From... 42

Barbara Windsor, flash sports cars, Iggy Pop, filth on the internet, Jet from *Gladiators* and we offer out *The Face*.

Objects Of Desire 58

So, you'd like tinted windows, a nice CD-player and a decent fag-lighter? Then you'd better look elsewhere, because this motor doesn't even have a speedo!

Quest 66

Real women answering really personal questions. This issue: anal sex – is it a turn-on, or just a pain in the arse? At last, the truth can be told!

Yes! I'm Coming! 98

The idea couldn't be simpler – you give us some money and, in exchange, we'll give you lots of pictures of beautiful girls posing with their clothes off. In colour. With sports cars as well. Fair enough?

MAYFAIR Male

We received a truly massive mail bag this issue, fairly bulging in all the right places, too! There's a full-on filthy account of a fruity first-time girl-on-girl sex session, a gripe about high heels and heaps of other horny happenings. Oh yeah, and the new Mayfair cartoonist is simply bonkers.

Our Man In Charge of the Filing Cabinet flew into action as soon as Martin's letter arrived. "Will these do?" he asked in his characteristic, no-nonsense fashion. "Yes," we said. "They'll do nicely. Thank you."

DON'T SUCK, JUST FUCK!

I'm beginning to think I'm a bit strange, and I'd be really grateful if someone could reassure me! The truth is, I just can't see the point of foreplay. When I talk to my girlfriends, they go into raptures when they describe their boyfriends sucking their nipples and licking their fannies. My friend Mandy claims she can only have an orgasm when she has a hot mouth sucking her cunt lips and clitoris, and sometimes she needs to have a finger or two in her hole as well! She says it turns her on to come right in his face and see her love-juice smeared over his chin. Dirty bitch! Don't get me wrong, I'm quite happy to suck cock, but it only turns me on because I know I'm getting him hard enough to push in past my lips and up my cunt.

I mean, that's the whole point of sex, isn't it? Whatever you do to get you in the mood, you're going to end up filled with driving cock, and girls love that just as much as blokes. And that's all I want. You're wasting time and good spunk when you spend ages sucking prick. The best thing for me is to get turned on just enough so that his prick will slide in easily. I don't like to wait too long though, because I want to feel nice and tight when he first enters me, so my fanny will really grab at his cock and he'll have to really grit his teeth and push in for the first few strokes. I love that feeling of being opened up before the real fast fucking can begin!

It's even better when I'm on top and guide his meat to spread my pussy. I can use my full weight to suck his whole cock up me, right down to his balls. And there's the bonus that you can watch his dick disappearing into you from that position. Sometimes I don't know how it all fits up there!

Of course, as soon as we start fucking for real, my cream really pours out. That's when we start to go really hard and fast and I go wild, grabbing his bum to pull him in as far as he'll go, fucking and fucking until the first waves of orgasm hit and I feel my cunt muscles lock around his tool. The thicker the cock, the better, because then it feels even tighter.

I suppose I prefer afterplay to foreplay. I get quite a kick out of sucking his cock just after we've fucked, first because I love the taste of my juice mixed with sperm but also because a good blow job will get him hard enough to get up me again!

I feel sorry for girls who say they can't come from just penetration. All I can say is spend less time sucking and more time fucking!

Natalie, Loughborough

Reply: *Well it's a matter of horses for courses, isn't it? Of course, we'd prefer a few more fillies with your particular approach to foreplay ourselves – all that fiddling about before the main event can get yawnsome.*

FEELING JADED

When I saw Jade on the cover of Vol 31 No 2, my eyes almost popped out of their sockets, and I bought it straight away. She has got to be one of the most sensational birds I have seen in my life, and when I got the mag back to the privacy of my flat, I had a marathon wank-session.

I imagined her stripping for me, slowly peeling off her scarlet top and black lace knickers to reveal those firm, round breasts and her dark, tempting bush. I could see her lounging on my bed just like she did in the photos and hear her whispering "Come and fuck me" softly with that delicate, slightly parted mouth. I didn't need a second invitation and thought how it would feel to move on top of her, feeling the warm flesh pressed against me as my cock slid slowly into her wet pussy.

She's such an incredible turn-on, I even had to buy an extra copy of the magazine, because I couldn't stop myself coming over the pictures! So please, please can we see Jade again some time soon?

Yours exhaustedly,
Martin McKeeley, Belfast

Reply: *Your wish is our command – Filing Cabinet Man, bring forth another picture of the delectable Jade, and make it snappy… er… sexy. And don't disappear into the bogs with it this time (it took us ages to coax the bugger out the last time he took to his 'porcelain throne of research').*

AUNTIE BEEB'S BOOBS

I thought your readers might like to know about something that happened this weekend. I was sleeping off my Sunday roast and the night before's hangover yesterday, hoping for a nice relaxing afternoon of footie on the box, when *The Clothes Show* came on. Normally, it wouldn't have lasted thirty seconds before I turned over to the Bond film that's usually on the other side, but frankly I was drunk and I just couldn't be arsed! I groaned when some geezer called Jeff Banks started squealing about how great chiffon looked with sackcloth while the Pet Shop Boys droned in the background, but just

as I told him what I thought by letting out a massive fart, things picked up in a big way.

A report came on about London Fashion Week. These fashion designers have got it easy – the models were hardly wearing anything. Alright, so they were a bit scrawny, not at all like the beautiful girls in *Mayfair*, but they weren't scared of flashing a bit of tit and beaver – and there were dozens of them! It wasn't even six o'clock in the evening! Of course, I immediately forgot my hangover and had to slip into the bathroom for a quick wank.

I had been thinking about subscribing to an adult cable channel, but now I don't think I'll bother. I'm even going to pay my licence fee, now I know Auntie Beeb is spending it properly, and I've already set the video for next week's programme because it features a swimwear special. I was wondering if any other readers have found sex sessions hidden away in the TV listings they might be able to recommend? And could you print a picture of a catwalk model with her kit off, just to prove my point?

Jack Conroy, Chichester

Reply: *We couldn't agree more, old son. Check out our news story regarding the very same fashion event that got you all hot under the collar in our news section this issue. Meanwhile, here's a snap of a catwalk bird with her tits out for you.*

SUCK IT AND SEE

I thought it was about time I wrote to you, to share the experiences I have had with my best friend, Maranda.

Maranda and I look similar, though she is just a bit taller. We both have long legs and flowing brown hair, and we agree that though her tits are bigger, my arse is cuter.

It all started once we had broken up from college for the year. Maranda and I were hell-bent on having a good time, so while mum and dad were away, continued on p23

Favourite Holiday Destination: *My parents own a traditional farm house in the Loire Valley which I visit two or three times a year with my girlfriends (and sometimes boyfriends, but don't tell my mum!).*

Favourite Mode of Transport: *Horseback! I used to ride a lot before going to university, although I've never owned my own horse. I'd like to, though, so if my modelling career takes off, who knows?*

Favourite Kind of Music: *Oooh, it's got to be Jazz! I don't mind modern pop, well, some of it anyway, but a good toe-tapping Jazz tune gets me going every time. It's so incredibly sexy!*

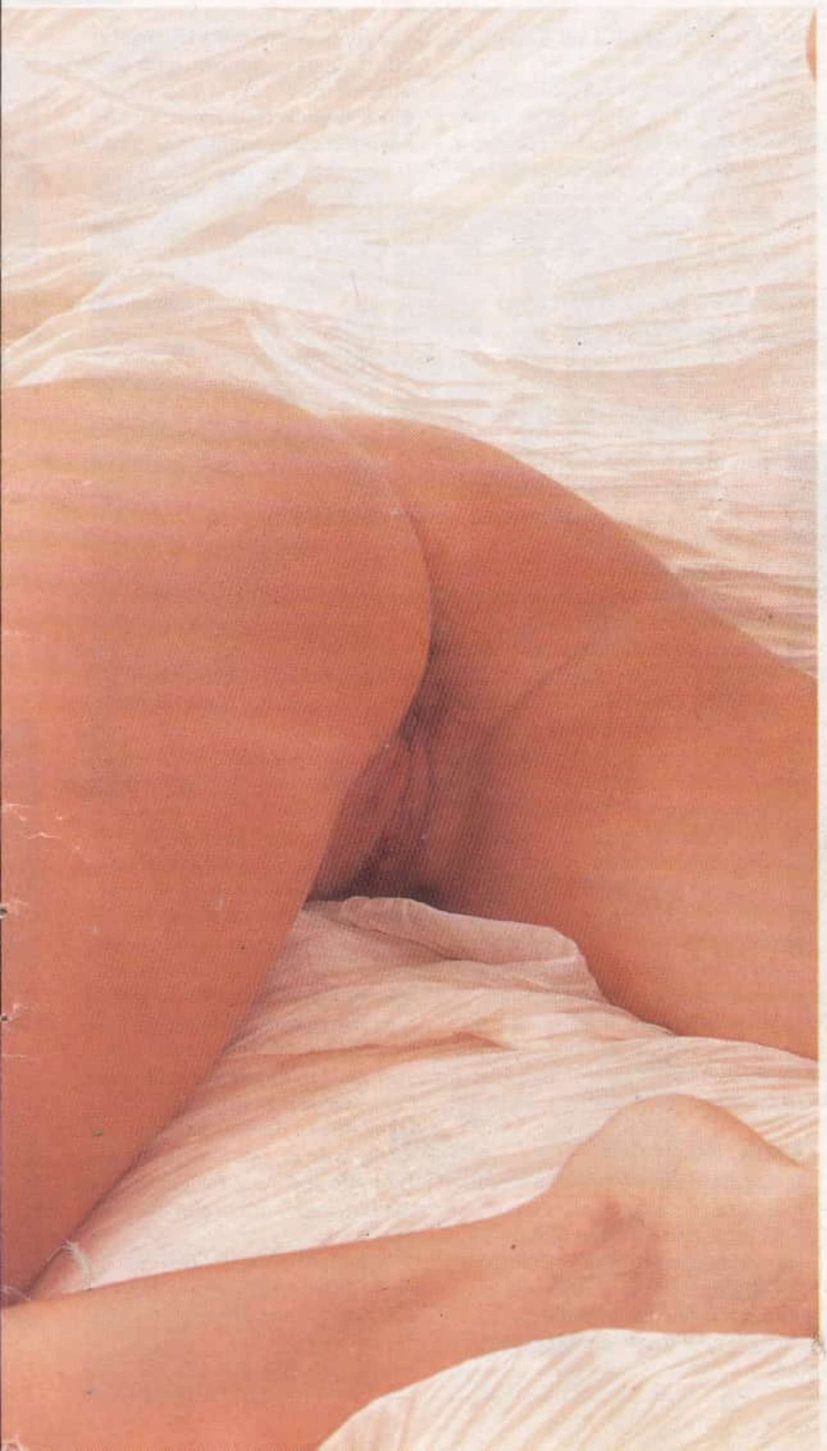
Most Expensive Gift Received: *On my eighteenth birthday last year my parents surprised me with a Fiat Uno. I love it! It's painted dark red, and I call her Madame Fi-Fi – it's silly, I know, but she really is lovely!*

Most Embarrassing Moment:
During a school trip to visit Notre Dame Cathedral when I was about twelve I couldn't find a loo anywhere, so decided to wait until we got back on the bus. Unfortunately, just as we were leaving, my poor bladder couldn't hold on any longer! I've had an irrational fear of churches ever since.

Worst Date Ever and Why:
I had a big fight with an ex-boyfriend in the middle of a posh restaurant once – it was terrible! He was shouting at me, so I pushed the table over in his lap and ran for it!

Nickname and Why You Have It: ***Well it's funny you know, but my old nickname in school comes from my 'most embarrassing moment'! In French it was La Petite Culotte Mouillée – which roughly translates as Little Miss Wet Knickers!***

Most Erotic Experience: ***Ah ha! I knew this was coming [laughs]. Without giving too much away, let me just say it involved three of my best girlfriends, rather too much cheap red wine and a box of painfully large beeswax candles…***



She's blonde, she's rich, she's fit and famous. She'll also drop her drawers at the drop of a hat. So let's have a big hand please, for the one, the only, Shagga!

SHARON STONE

SHE'S NO TRACY!

It is the greatest movie moment of the 'Nineties so far. When it was first seen, everyone was watching it, talking about it, arguing about it and copying it. Somehow, it was one of those moments in history that captures the spirit of an age, but the strange thing is that it appealed to plumbers in Barnsley just as much as it did to the movers and shakers of Hollywood.

Is it the escape from the bank in *Reservoir Dogs*? Bruce Willis' everyman hero foiling the bad guys with "Yippee-kiy-ay, motherfucker!" in the *Die Hard* movies? No – I'm talking about Sharon Stone as she uncrosses her legs in *Basic Instinct* and says "It's nice."

Sharon Stone isn't the first struggling thespian to be turned into a fully-fledged star by taking her kit off, and she certainly won't be the last – but Shazza's transformation from B-movie background floozy to A-list superstar has been an even greater leap than usual.

No Contest?

The Stone story begins on March 10th, 1958, which makes Sharon 38 years old by our reckoning. She was recently quoted as saying she had no idea she was pretty while growing up, which is strange when you consider that she won local beauty contests as a teenager.

She claims she was still unaware of her outstanding looks when she was put on the books of a modelling agency in New York, and signed up for acting classes in her spare time. Amazingly, her first film appearance came in a good but downbeat Woody Allen film, *Stardust Memories*, but blink and you'll miss her as a commuter on a passing train. Most actors and actresses would kill for a role in a Woody Allen flick, and Shaggable Shazza had landed one just as a warm-up!

Embarrassed by the ease with which she'd landed her first credit, Sharon vowed to appear in a string of dire low-budget pictures and even worse TV movies. Well, she didn't really, but in the event that's what happened.

Brown Shoes

Irreconcilable Differences, Allan Quartermain and the Lost City of Gold and *Action Jackson* are all crap movies, and anyone who tells you differently is either a liar, or someone with taste so bad they'd wear brown shoes with a black suit.

However, they got our Sharon regular work in the mid-Eighties and her face started to get known around Hollywood. Her body got talked about even more though, because she was already developing her hallmark acting style: De Niro twitches, Brando grunts, Bardot gyrates, and Sharon takes her clothes off.

Total Dick Action

The one film before *Basic Instinct* that really got Stone noticed was 1990's Schwarzenegger action vehicle, *Total Recall.* Sharon plays Arnie's extremely horny wife, who turns out to be a bitch of the first order. The film's central scene sees Arnie standing in the middle of a room beset on all sides by people, including Shazza, who claim that they are telling the truth and everyone else is lying. It's all too much for Arnie's tiny brain, so he shoots Sharon in the head. That'll teach her to nag.

Perhaps surprisingly, Sharon shows very little of herself in *Total Recall*, though she does break into a sweat after a futuristic aerobics session. It got her noticed again though, and after a not bad effort at combining kit-offery with acting in *Year of the Gun*, she landed the part she was born to play: Catherine Trammel in *Basic Instinct.* She fits the role of the rich-bitch novelist with an appetite for kinky sex (and scrambling people's brains) so perfectly, you'd almost expect the part to have been written for her, but Hollywood legend has it that Greta Scaachi originally turned it down, and Sharon only got it on the rebound.

The film was massive, and little-known Sharon Stone turned into a megastar almost literally overnight. She blew Michael Douglas off the screen (and blew him on-screen) and the fuss caused by the bondage and lesbian sex scenes only served to make the punters queue round the block to get in. But the scene that lives on in the memory above all others is still the interrogation at the police station, where Catherine lounges in a tight, white cocktail dress, smokes one of the most erotic cigarettes since Bogart and Bacall puffed away in *The Big Sleep*, and shows her neatly-trimmed snatch to the cops.

Look, No Hands!

It was always going to be hard to follow *Basic Instinct,* and after its release Sharon reverted to form by appearing in a series of bad films in which she took her clothes off. There was one major difference though: now they were big-budget bad films. *Sliver* was a laughable effort about voyeurism, with the rich inhabitants of a New York tower block spying on each other while having sex and committing murder. It was ripped to pieces by the critics for one particular scene in which Sharon masturbates in the bath, the only drawback being that both her hands are plainly visible outside the tub. It's a good trick if you can do it, but it must take a hell of a lot of practice.

The downward spiral continued with *Intersection,* and when she teamed up with fellow megastar Sly Stallone for the explosive adventure film *The Specialist,* the biggest bomb of all was the box-office takings. Suddenly, Sharon's critics dismissed her as a one-hit-wonder and they laughed even harder when a project she'd co-produced called *The Quick and the Dead* was shot down as soon as it was released. Arguably, it wasn't helped by Sharon's publicity work in which she insisted the film was a 'revisionist feminist western'. That didn't exactly bring in the beer and curry crowd.

But you can't keep a good girl down. When she landed the part of Robert de Niro's wife in Martin Scorsese's *Casino,* it was as big a gamble as any seen in Vegas. She might have been awful in an otherwise brilliant film, and completely blown her chance to work with big names again. As it is though, she's very good in a very good film, and holds her own in the acting stakes. Okay, so she doesn't really have much to do except look pretty and get more and more freaked out as the film goes on, but she does it very well.

The bod's still in fine fettle and, if you still haven't seen it, there are a few excellent flashes of Shaz in her underwear…

'Brrr, it's like a fridge in here!'

Basic Instinct:
'What're you lookin' at?'

Basic Instinct: And here comes the ice-pick!

Basic Instinct:
'It's nice!'

Sliver: Great arse, bad film.

BRISTOL CITY BLUES

Roving reporter Keith Furness catches up with the girls from the UK Glamour Review Show, and even manages to take a couple of half-decent pictures! Will wonders never cease?

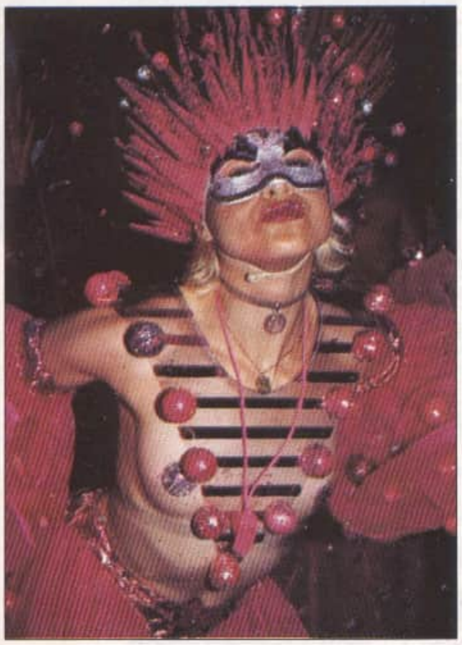
The UK Glamour Review is a touring all-nude sextravaganza which has been running for the past seven years under the firm yet friendly guidance of Alan Whitehead (ex-member of '70s glam-rockers, Marmalade).

Having been linked closely with The Sport newspaper for the past god-knows-how-long, I went along to the UKGR's first re-vamped show since the Sport relationship ended and – wow! Held in the fair city of Bristol, it was a night the local yokels will remember for years to come.

A total of 12 girls (not one dog among 'em) put on a show to remember, and the punters lapped it up – almost literally, in one instance! Sporting sexy routines (pardon the pun) and lovely girls, the entire event came over as a highly polished, expertly choreographed grunt-fest well worth the entrance fee. Stick us on the guest list next time anyway, though, yeah?

DIRTY DIGGERS

On a promise of the biggest display of beaver since Davy Crockett retired, we winged it down under to Sydney's famous Mardi Gras festival. It was a drag, but nothing's too much trouble for our beloved readers. And we know what you're thinking – yes, it is a ninety percent gay event, but with fifty thousand bodies on the streets, that still left about five thousand young women for us to cast our eyes over; surely we couldn't fail to bring back a bulging dossier of busty beauties?



Er, yes, we could. It is our sworn duty to keep this magazine a slapper-free zone and unfortunately, the raunch-o-meter barely moved all weekend. These five babes were the only ones worth a second glance, so enjoy them. Slim pickings maybe, but that's what you get for having such sky-high standards.

We did get one picture exclusive, though. Yes folks, Mayfair has the first genuine proof that we are not alone in the universe. The creature in pink identified itself as Sheila from the planet Sex and spent all night persuading us to "take me to your leader". Of course, we assumed she was talking about our publisher. Her flying saucer is due to touch down at Heathrow in June [You're all sacked –The Publisher].

ANOTHER LOAD OF OLD COBBERS

Dilemmas of a rather delicate nature for Red Hot Chili Peppers bassist Flea recently. To see off junior rockers Silverchair in style after an American tour support slot, Flea ordered a couple of top-line strippers to add a little something to their performance. But when he found out that the young Australians' parents were going to be in the audience cheering their offspring on, Flea seriously considered cancelling the nudesome additions for fear of upsetting the elders. The 'performance' went ahead only after Silverchair's sixteen year-old frontman Daniel Johns explained that while he thought his dad had seen a pair of tits in his time, he was absolutely certain his mum had! Who said rock stars were bad muthas with no manners?

THE (OLD) BOY CAN'T HELP IT

If you have trouble keeping your chap under control, then get hold of the recently-published book 'Sperm Wars' by Robin Baker (Fourth Estate, £7.99). Why? Because it says there are tons of biological reasons for infidelity that we have absolutely no control over. In lay-man's terms, that means we can do anything we like and refuse to take any of the blame. Sounds like a good deal to us!

FRANNY'S FANTASY FANNY FRACAS

COLORSPORT

Following the latest allegations of sex and drugs scandals in the Premiership concerning Man United's Lee Sharpe and Man City's Nicky Summerbee, it's good to see that City chairman Francis Lee has taken firm action. Having confirmed with his player that the Sunday newspaper 'revelations' of pill-popping orgies were a load of bollocks, Lee has now concluded that it's the end of the matter. Young, fit men with too much money have never and will never get caught up in sex scandals. Just ask Will Carling.

NEXT PLEASE

Imagine a bird who could shag 300 men in one night. Got to be a bit of a goer, wouldn't you say? Well, here she is.

Reckon you're a bit handy in the sack, then, do you? Bit of a Casanova on the quiet, eh? Come on, let's be frank about this – most of us would be ecstatic to manage it any more than twice in one evening, wouldn't we? Five times would be almost unheard of, and ten times could see you right up there with the likes of Big John Holmes (and that bloke from Leicester who claims he got his first stiffy at fourteen, and hasn't lost it since).

It's different for birds though, isn't it? All they have to do is lie back, open wide and think of England. And funnily enough, that is exactly what Jasmin Saint Claire plans to do when she makes her assault on the world gang-bang record in Los Angeles later this month.

Last year a new target of 251 consecutive fucks was set by Annabel Chong, a diminutive oriental beauty who evidently

LONDON FLASH 'EM WEEK

Style, sophistication, class and elegance. The glitzy London Fashion Week has them all. And tits.

London fashion week: one of the highlights of the social calendar for the capital's style-conscious – and a good excuse for the rest of us to ogle fit birds parading up and down wearing next to nothing.

Who's interested in all those stupid rags that pass for the latest creations anyway? By the time anyone we know could afford an outfit like that, she'd have tits down to her knees and a face so wrinkly it'd put Sid James to shame. Ah well, who gives a flying Gaultier about the so-called 'clothes', let's just see some fancy totty flashing her la-la's and we'll be happy.

By the way, the eagle-eyed among you may recognise the bird with the daft hat and black belly-warmers, for she is none other than the curvaceous Kate Moss. Our advice? Sack your tailor, girl, he's obviously not up to it – we can barely see your knockers through that little lot.

HOLLYWOOD
MAYFAIR

doesn't know the meaning of the word 'no' (bet she knows what 'sore' means, though), and Jasmin is convinced she'll beat it.

"I'm absolutely raring to go," she told us on the phone from LA. "I plan to take on 300 guys, one after the other, then get Annabel to fuck me with a strap-on dildo to make it 301!" Will she make it? Do they have the Saint John's Ambulance folk over there? And just how many buckets of spunk is that, exactly? All these questions – or some of them at least – will be answered next tissue...

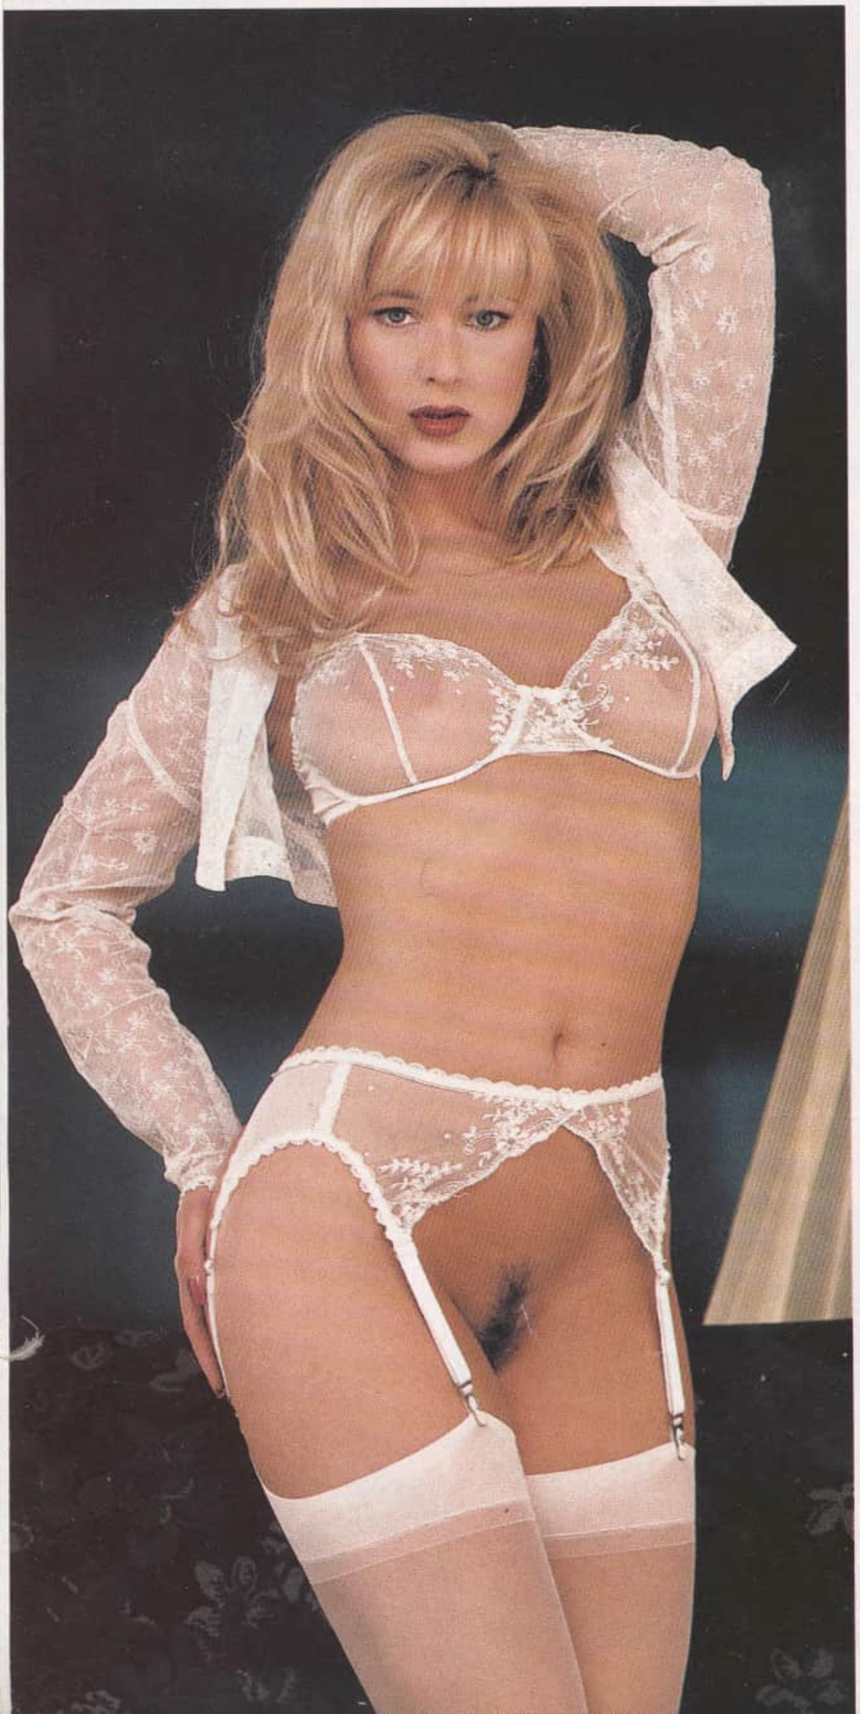
CLAIRE

PHOTOGRAPHED BY STEPHEN K MORRIS



Favourite Alcoholic Beverage: ***I never touch spirits as I've found (through bitter experience!) that they just don't agree with me. Give me a good claret anytime or, failing that, a Bailey's Irish Cream on ice.***

Favourite Kind of Music: ***My father was huge a opera buff so I grew up in a house full of Merry Widows, Pirates (from Penzance, of course) and the occasional flute (Magic, naturally). And yes, I do still love it, as you'd know if you'd ever heard me in the shower!***

Favourite TV Show: ***I'm completely addicted to*** **Absolutely Fabulous.** ***I love Patsy because she reminds me of my best friend, Jane. She's very pretty but always has a drink in one hand and a cigarette in the other! You'd think it was actually her except for the hair – Jane's is much worse!***

Favourite Perfume: ***Oh, anything as long as it's not a 'body spray'. I reckon that 99% of blokes couldn't tell Chanel from shit to be honest so, as long as it smells 'nice', they'll be happy!***

Best Ever Party: ***A friend of mine was leaving to work abroad for a few years, but before she left she hired a boat on the Norfolk Broads and we spent all night raving our way down the river. There were so many people crammed in with so much booze, I was scared we'd sink or end up getting swept out to sea!***

Nickname and Why You Have It: ***I've never really had a nickname as such, not even in my school days. I did have a boyfriend once who used to call me 'Butter Bum' – is that any good to you? I'll let you work out how he thought of it!***

Most Erotic Experience: *It must be when I made love with two men at once, that was pretty horny. I remember I had two boyfriends on the go at the same time and I really liked both of them, so I figured why not let them have a go together? They'd never met each other and at first they weren't sure what should go where, but I soon showed them the ropes! Actually, they're now good friends, though I haven't seen them for a while. In fact, thinking back, it was so good I'd like to try it again – I'm sure their phone numbers are around here somewhere...*

MAYFAIR Male

continued from p5 Maranda came around to stay for the weekend. We wanted to have fun, so of course that meant sniffing out some boys! We dressed up in sexy high heels with me wearing a skimpy pink outfit while Maranda wore a very tight black dress. We set off into town and soon had the boys drooling as we teased them in every bar and club we went to.

When we got home we went out into the garden and sat by the little swimming pool we'd had put in for the summer, sipping drinks and giggling about the way the boys had been eyeing us up. We were sitting together on a sunlounger, so before long our knees were touching. Maranda was so tipsy she nearly fell off, and put her hand onto my thigh to steady herself. It sent a little tingle up my spine and I immediately felt my pussy starting to get wet, the way it does when I play with myself. Maranda must have sensed what I felt because she looked me in the eye and planted her mouth firmly onto mine. Her tongue darted around inside and I started to get very hot between my legs. She dropped a hand to my crotch and rubbed my pussy through my outfit. I couldn't believe how wet I was.

The next thing I knew, Maranda pulled back and exposed her titties. "Suck me, Sheena!" was the only thing she said as she lay back and pulled me on top of her, then yanked my top down so my breasts tumbled free. She started to squeeze and caress them straight away, which made me moan. I wanted her to feel just what I was feeling and slowly started to suck at one of her hard nipples.

She broke away, pushing me back onto the sunlounger with my legs spread wide. My knickers slid off in a second, exposing my dark, hairy bush. When her tongue lapped at my clit, I could already feel the first trembling of an orgasm deep in my sopping cunt. Within minutes my juice was flooding over her face.

She stood up. "Now do me," she ordered, and lay down beside the pool. I could smell the perfume of her pussy in the night air and it was all I needed to start me licking her wet slit. She cried out for me to go faster, then came just as quickly as I had.

Well, that was our weekend sorted out! The next two days were spent licking and sucking each other, and now that we're back at college and sharing a room, we never stop!

Sheena A, Guildford

Reply: *And which college would that be, hmm? A medical one, by the sounds of it – what with all the anatomy homework you seem to be doing!*

TALKING COBBLERS

What the fuck's going on? Why are so many models these days shown wearing sensible shoes and sneakers instead of high heels?

In my opinion, models should always, but *always* be wearing high heels. It doesn't matter if they're in the bath stark naked, lying on a bed in pyjamas or dressed (God forbid) in jungle combat gear. High heels are the ultimate porn accessory and can transform even a plain girl or a dull pose into a proper dick-hardener. High heels, the higher the better, the spikier the better, make a model look like she's asking to be fucked, or at the very least wanked over.

British porn mags used to be hotter on this in the '70s and '80s – these days there are far too many flat-soled shoes and bare feet on display. Bare feet can actually be a bit of a turn-off. Bare feet are for the minority of foot-fetishists. Us high-heel fetishists are in the majority and we demand to have our rights upheld!

Okay, we're prepared to be reasonable. Let's say there are twelve shots of a model in one set – if you really must, we'll allow one to be barefoot. But only one.

Yours hopefully,
Wee Willy Winkie, Kentish Town

Reply: *Fair comment, Mr Winkie, we like high heels, too. Variety is still the spice of life, though, so you can't expect every girl to bear her soles for you. Having said that, you may like to point your mince pies at the delectable Patricia – pages 35 to 42 this issue. Now tell us, does she give good shoe, or what? Ooh yes, suits you, sir, suits you…*

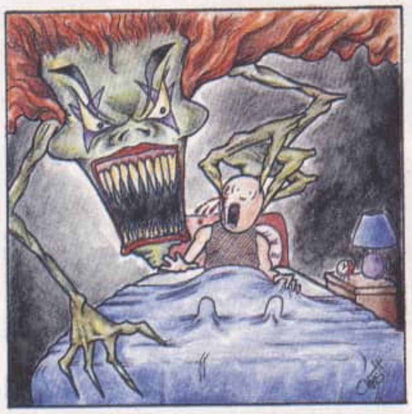
ORIFICE POLITICS

It takes a lot for me to bother writing anywhere – and now a lot has happened to me and I can't scribble it down fast enough!

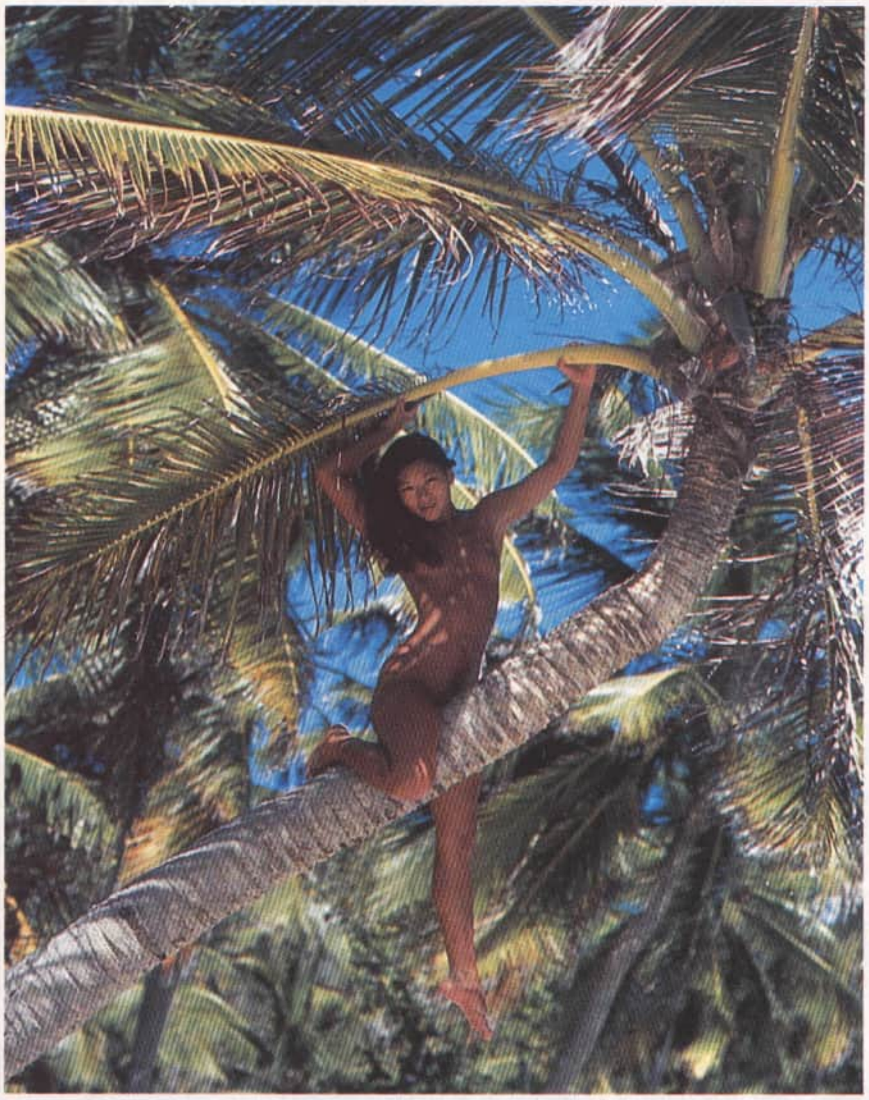
We've all got our fantasy figures, but I never thought mine would become reality! Denny is the PA to the director of the company I work for – lucky fucker! She's a bobbed brunette with a wicked smile and eyes that can pierce right through you. While her curvy arse may be just the wrong side of slim, her tits are this side of heaven – large, pale, and barely contained by the white cups of her lacy bra. She only ever seems to wear the flimsiest of blouses so you can see virtually everything she's got – and almost get your eyes poked out if there's a cool draft!

Anyway, I can't resist wandering over with the slightest excuse, and I guess I made it pretty obvious I was interested. One morning I'd got in early, and was pleased to see Denny was there too – along with the boss. When she came out from his office I made my usual crap joke and pass at her when she said, "One of these days I'll think you fancy me – then you'll be sorry."

I swallowed heavily and chanced my arm. "Why would I be sorry?" She looked levelly at me and said, "Because I'll fuck you so hard that your smile continued on p57



JENNY WAS A DEMON IN BED



BLUE MO

Imagine a tropical island paradise with swaying palms, golden sand and clear blue sea. Now add a PA system the size of a small village, a few thousand randy ravers, truck-loads of drink and drugs and you've got the recipe for one wild night out. Steve Shields reports from Thailand's infamous 'Full Moon Party'.

The old saying that size doesn't matter may ring true in the bedroom, but when dance parties are under discussion the opposite is always the case – and as dance parties go, they don't get any bigger (or better) than Thailand's infamous Full Moon Party, a regular two-day bash on the tiny tropical island of Koh Pha-Ngan (see box for correct pronunciation).

A beach party has been held on and around the phase of the full moon every month since 1989 at Haad Rin, an obscenely picturesque three-beach peninsula situated at the bottom right hand corner of the island. These days, of course, the assorted revellers writhe and gyrate to the latest jungle, trance and techno creations – I was here back in 1990 and let me tell you, dance fan or not, it's gotta be better than The Eagles and goddamn Wham!

Okay, so there's a beach, all-night drinking and dancing plus gangs of shit-faced Sharons wandering about – but what makes it so special? Spain's Ibiza, India's Goa and even Brazil's Rio all feature similar events, so why make a fuss about Thailand's Full Mooner? First off, it's cheap. The party itself is free to attend and held right on the beach, while food, drink and accommodation can all be sorted out for less than £10-a-day (you'll be eating and sleeping reasonably well for that, and getting totally bladdered into the bargain).

Secondly, the location itself is without doubt the world's premier party spot: clean, safe, easy to reach and dazzlingly beautiful. There is only one road in and out of Haad Rin (wear brown trousers if you're attempting it on a motorbike), plus assorted sea-bound vessels servicing the area.

The main party beach is large, with an excellent variety of bars, restaurants and bungalows looking out over the Gulf of Thailand. The locals couldn't be friendlier and if 'Miss Right' (For The Night) shimmies into sight, there are thousands of secluded spots in which to woo her – just keep one eye open for the snakes, scorpions, spiders, mosquitoes, poisonous centipedes, etc.

More 'E' Vicar?

Dance parties the world over are renowned for the easy availability of certain mind-altering substances, and the Full Moon Party on Koh Pha-Ngan is no exception. The difference here, though, is not so much in the kind of drugs available – all the standard choices are obtainable from

ON PARTY

I'm Paranoid – What Are The Risks?

Health-wise, it breaks down like this: You'll be in a low-risk Malaria area – take Mephloquine tablets if you must but, if you're not planning on straying further afield, this isn't strictly necessary. There are snakes and scorpions, but very few – waggle a stick inside your boots before putting them on each morning. Swimming while under the influence is fun, but frequently lethal (there were three drownings over five days while we were there) – don't do it. Other than that, I find a handful of Valium helps – it's available without prescription over the counter at any chemist's.

various twitchy types who hang around in the shadows away from the main action – but in the penalties you will face if caught in possession of them.

If you're unlucky enough to get nabbed with anything, it's likely you'll face a flat £250 fine, but possession of drugs – *even one spliff!* – on Thai soil now carries a mandatory jail term, usually at least a year irrespective of the quantity of narcotics seized. That's heavy.

It's generally up to the arresting officer to decide if a fine or jail-term is suitable for the offence – and this depends on factors like how much cash you have on you, whether he likes the look of your walkman/camera/girlfriend, and how many witnesses there are. Yup, it's double dangerous to dabble alright, so if you do take drugs… take care.

I'm Tongue-Thai'd – How Do You Say It?

Koh Pha-Ngan	Co Pan Gan
Surat Thani	Sir Rat Tarn E
Koh Samui	Co Sam Ooh E!
Haad Rin	Er, Had Rin?

Three-Two-One… Party!

Typically, the build-up to the big event goes like this: five days before the party starts, those in-the-know begin arriving to set up their 'base camps'. Accommodation at Haad Rin can become alarmingly scarce during the full moon so, to avoid waking up with a mouthful of sand each morning, early arrivals snaffle up the best beach bungalows and hang on to them.

The next two days herald the arrival of boatloads of booze; if you're feeling fit (or thirsty), help the locals to unload it in exchange for a few free bottles of Singha beer. The day before the party sees old uncle Bill sniffing about (dressed in his casuals, of course, but he's not fooling anyone). Basically, up to a hundred undercover coppers are draughted in for the party, and they'll spend the preceding day or so targeting obvious drug abusers for a nasty shock come the night. Discretion, then, could be all that stands between you and the inside of a roach-infested Thai nick – so watch it.

While plod is busy making a laughing stock of himself trying to 'blend in', everyone else involved in the event is busy getting down to the real business of the day – setting up the sound systems. Instead of having just one monster PA, Koh Pha-Ngan plays host to anything between five and twenty individual systems. This is probably one of the party's crowning glories – Junglists can get down and groove at one, Hip-Hoppers at another, and even rock fans can let their hair down at a dedicated PA system of their own. Also, big name DJs from Europe and the 'States are occasionally booked by some of the bigger outfits.

I'm Up For It – How Do I Get There?

◆ ***The Cheap Way***

Buy a bucket flight return to Bangkok (c. £385). Take an overnight bus from Bangkok to Surat Thani (£7.50 air-con one-way), and a boat to Koh Pha-Ngan from there (£1.50).

◆ ***The Quick Way***

Get on the next chartered flight to Bangkok (£420+) and, at the airport, hop aboard the Koh Samui shuttle flight (£50). From Samui get a speedboat right to Haad Rin beach (£15).

I'm Confused – Where's Judith Chalmers?

If you've never heard of Koh Pha-Ngan before, it's not surprising. The island is inundated with all manner of misfits from trance-dancers who've taken too many disco biscuits, to psycho space cadets who simply didn't need any in the first place. Of course, there are thousands of regular travellers, all young and yearning for fun, who flock to the parties and beaches all year round – but you're hardly likely to see it featured on any of the mainstream TV travel shows (because they're all shite).

But What About Fanny?

It sounds remarkably unlikely, but the female/male ratio at the bash is usually about seventy/thirty. Straight up, and honest to God guv'nor, you'd have to have an arse instead of a head to fail to cop off here. The temperature rarely drops below uncomfortable all night, so clothing is not much in evidence from the first BPM… and later on in the evening, well, let's just say you don't have to tax your imagination.

They're all completely off their heads, too, so all that endless chatting-up and buying drinks palaver is mercifully unnecessary – just study the form and, if you fancy your chances, get in there! Oh, and try not to get too much sand stuck to your bell-end – it hurts… Ⓜ

SIMONE SAYS...

Her sexy face, hot body and insatiable appetite for cock have made Domonique Simone one of America's most popular porno performers. We sent Mike Collier to LA to meet her...

So, do you reckon she takes it up the arse, then?

How did you get into the adult film industry?

I was going to a fashion school in Los Angeles, but took a leave of absence and was approached to do some modelling work for two big American porno mag's. From there, I met a girl who told me about adult movies and took me onto my first movie set. My first film was *Twin Peaks* for Henri Pachard. I worked with top US porn star Jon Dough and considered him very sexy, so I had no problem finding my motivation for the scene!

What is your favourite scene?

My favourite sex scene would probably be from the movie *Sex Trek 3*. I worked with Randy Spears and he just drives me crazy! I was always turned on by him and we did a three-way with Shayla LaVeaux who's extremely sexy and very horny. I loved the way Randy fucked me (nice and slow... long, deep strokes). He's so passionate – it sent chills up my spine!

What do you like most about making erotic movies?

I really enjoy unleashing the animal inside. I'm such a sexual person – I live and breathe sex. I wish I could orgasm 24 hours a day.

What's your secret fantasy?

I would love to watch my lover fuck another girl. I would love for us to lick her cunt and then she would put on a strap-on and fuck me while I suck my lover's cock until he explodes.

Were you an exhibitionist before making films?

Before entering the business I was really naive and innocent. I still had wild thoughts and fantasies, of course, but never lived them out.

Do you like to use sex toys?

I love vibrators, especially the ones with ticklers that tickle your clit. I love using my vibrator while my lover kisses my neck, pinches my nipples and whispers nasty, trashy, kinky things into my ear.

Are you bisexual in your personal life?

Yes I am. I love the smell and feel of a woman, but my first real lesbian experience was in front of the camera. I love the feel of a hard cock going in and out of me, hitting my G-spot and feeling the wetness of my hot cunt. A woman could always strap it on, but nothing beats a hard cock. I love the softness and tenderness of a woman, and I love the smell of pussy.

Who are your favourite performers?

My favourite male performers would be Peter North, Rocco Siffredi, Sean Michaels and Randy Spears. My favourite female performers are Taylor Wayne, Alicia Rio, Lana Sands, Teri Weigel and Ashlyn Gere. They all really enjoy what they're doing. They reek of sex appeal! I would really like to work with Janine – she's so beautiful.

What do you do to maintain your body?

I maintain my body by dancing and working out. I love dancing! I'm also constantly working out with weights and I try to really watch what I eat [don't you mean *who* you eat? –Ed].

What do you like most about your body?

I love my pussy. I love the smell, the feel and the taste. My pussy is cleanly shaven. I love probing my fingers in and out of my pussy and rubbing my clit. My pussy's soooo hot and tight!

Q *What sex positions do you like most?*

A I love the missionary position, but sometimes I like to be in control. I love sitting on a nice, hard cock and slowly riding it into the sunset.

Q *Does sex have a colour? In other words, do you feel racial bias in the adult film industry?*

A Sex does have a colour and there's a lot of racism in the industry. There are certain companies that wouldn't hire me because of the fact that I'm black. There are some dance clubs that aren't interested in booking a black feature, either.

Q *Do you like to masturbate?*

A I love to masturbate! I often think of my lover licking my entire body with long, hot strokes – not with the tip of his tongue, but his entire tongue! I often think of threeways with another woman (both of us licking the head of his cock, licking his balls) or one sitting on his face while I fuck his hard cock vigorously.

Q *What do you think you're best at, sexually?*

A I love sucking cock. I love the way a hard cock feels in my mouth. I love a hard, pulsating cock that's waiting to explode in my mouth. I can suck a mean cock.

Q *Do you prefer one-on-one sex scenes, threeways or orgies?*

A I prefer one-on-one sex scenes. When there's more than one other person, it's hard to give each person the attention they deserve. My favourite sexual combination in my personal life would be me and my lover with another girl.

Q *Do you prefer morning sex or evening sex?*

A I love morning sex. I love climbing onto my lover's erect penis while he's still sleeping and riding him until I explode. Then I'll just go back to sleep.

Q *Do you usually have real orgasms in your sex scenes?*

A Yes, I always have orgasms in my films. It wouldn't be fun without them!

Q *Do you dance in clubs?*

A Yes, I love touring and dancing in clubs. I love meeting my fans and talking to them one on one.

Q *Is there an address we can give to readers who would like to get in touch with you?*

A Sure! I'd just *love* to hear from all my fans in merry old England! They can reach me by writing to: Alley Katz Entertainment, 9899 Santa Monica Blvd. #606, Beverly Hills, California 90212, USA. Include your phone numbers, now, won't you?

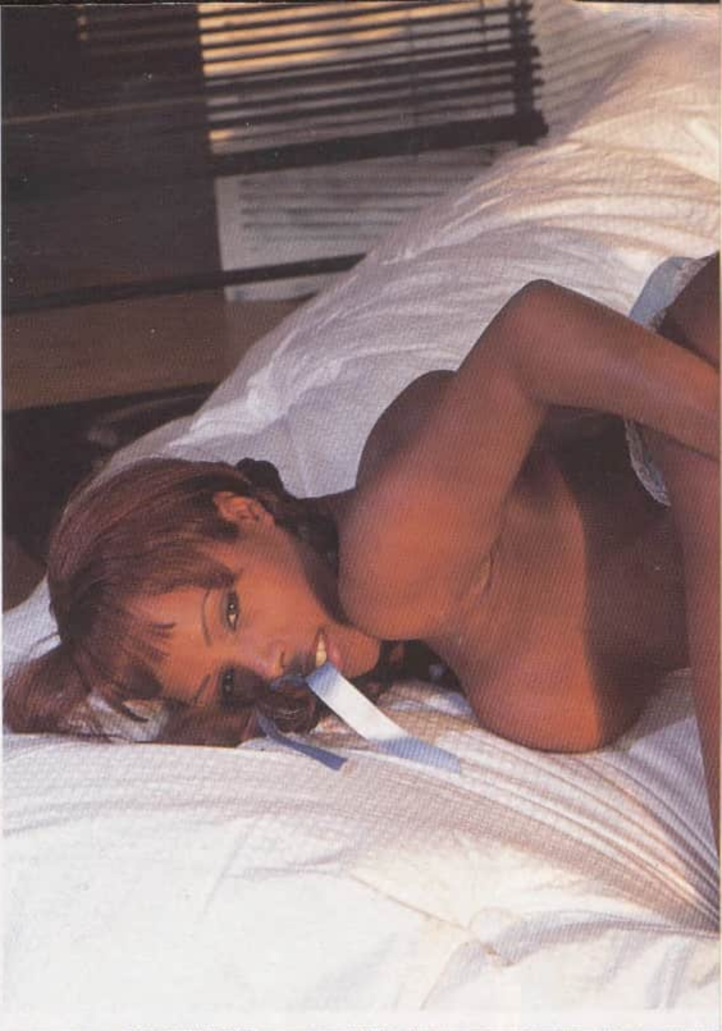
Favourite Day: ***It's got to be Sunday, no question about it. I work until about 3am on Fridays and Saturdays, so by the time Sunday comes I'm knackered! Often, I won't even get out of bed until* Blind Date *comes on the telly!***

Favourite Film Star: ***Hmm, it's a toss-up between Denzel Washington and Eddie Murphy – can I choose both?***

Best Subject At School: ***I didn't really like school much, I was a bit of a trouble-maker I'm afraid. Art was okay, though – I used to be quite good at it, too, until I discovered boys!***

Worst Phobia: ***Oh, spiders, snakes and creepy crawlies – urgh! Even seeing pictures of them gives me the willies!***



Most Secret Ambition: *I've never told this to anyone before, but I'd really like a date with Prince Edward. I think he's dead dishy, and you never know – after a couple of drinks with me he might drop that snooty Sophie Rhys-Jones and find out what a real woman can do for him! So if you're reading this, Eddie, ask the editor for my number…*

Most Erotic Experience: *I made love in a sauna once, and that was very erotic. It was at a private health spa, but we weren't sure if somebody was going to walk in at any minute. Mind you, it was so steamy in there I doubt if they'd have seen much even if they had – and it's not as if I'd have cared by that stage anyway!*

SEX WITH YOUR X

Edmund Hillary was asked why he'd risked so much to become the first climber to conquer Everest. His reply: "Because it's there." Anyone who's ever shagged an ex will know what he means. They're there. Who needs any more reason than that? It's not like there's any good reason for that one, final, forbidden fuck. By this time the relationship has less chance of being revived than Vanilla Ice's career.

You know it might make things messy, too. After one great session, involving every perversion the two of you ever practiced rolled up into one night of filth and degradation, she could end up hurt, you could end up guilty, and any chance you ever had of remaining friends might have gone. For a lot of us, though, it's worth it. After all, a friend is a friend, but good sex is a shag.

Five Good Reasons Not To Shag Your Ex

- It's a backward step
- It's emotionally childish
- You'll get hurt
- She'll get hurt
- Her new bloke will hurt you very badly

"It caused me a lot of aggro but I've no regrets at all," says Andy, a 25-year-old Birmingham student. "The best sex I've had has been with ex-girlfriends.

And A Pint Of Cream, Please!

"If you're going out with a girl it never ends quickly and cleanly – that just doesn't happen in real life. You break up over a period of time: one of you says 'I need a bit more space', a week later the other says 'I think I should go to this party on my own', and next month you come back to find she's been shagging half your mates and a couple of milkmen.

"Last year I split up with this girl I'd been seeing, but we kept on fucking every so often – she used to get me drunk on purpose, thinking I'd resist if I was sober! Then a month ago she called me to say she'd met someone and was moving to Ireland with him. She told me she was coming round 'to say goodbye'.

"The moment she said that, I got a hard-on I couldn't control. She'd hardly got through the door before we were tearing each others' clothes off. I've never had sex like it – she was being filthy beyond belief, telling me to give her a fuck she'd remember me by, getting me to tie her up, all that sort of stuff.

"The funny thing is, we hadn't had much kinky sex before. We'd half-joked about it, but the closest we'd got to bondage was me holding her down on the bed. But in that one night we made up for it! It ended up with her tied to the bed with her stockings on, me using two vibrators on her and both of us coming four times.

Five Good Reasons To Go For It

- Great sex
- Practice makes perfect
- Really great sex
- You can laugh at her new boyfriend
- Incredibly great sex

"When she finally left in the morning, I almost cried. Not because of her, but because I knew I'd never have sex like that again."

Right On The Button

But it's not just men who crave that last night of nookie. Sally, 20, is a receptionist in London:

"I split up with my boyfriend – I still think of him as that – two months ago. Well, he chucked me, really. I've had a few blokes since but they're useless compared to him.

"It's not that he's this great stud, it's just that he knows me really well. With these other guys, they don't know what turns me on, and even if they're willing to learn, it's going to take them ages.

"I suppose my boyfriend was like that at the start too, but now he knows exactly what buttons to press. He can just stroke my clit the way I love it, and I can feel myself getting wet. He can feel it too, of course, which makes him confident, and that makes me more relaxed, and it's all this positive spiral… he ends up fucking my brains out, and I love it!

"I've had a couple of serious boyfriends before, and it's been the same thing with them –

"Oh go on, Ricky, just once more for old time's sake. *Pleeeeease!*" Cindy Crawford begs Richard Gere for a final fling. Allegedly.

Helena Christensen takes pity on Michael Hutchence's plight – and he's not even a badged vendor!

Do you realise how tricky it is to find genuine facts relating to Pam and Tommy's private life? Half the office reckon they definitely got it together during a recent separation, while everyone else disagrees. Whatever the true facts of the matter, she's got a lovely pair of tits, hasn't she?

I've always wanted more sex after we've split up, even if it was me who chucked them. And when I've been single and masturbated, which I do quite regularly, it's always the last shag with the ex that I fantasise about. It just gets better and better in my mind, and I end up picking up the phone and saying 'Let's go out for a drink' or something, in the hope that I can act it all out again!

"In a way it is unhealthy, and I think girls get hurt by it more than men do. But the sex has been so good that I can't say I regret any of it!"

One For The Road

Mike, 29, makes no apologies for being first in the line for second helpings. "I've always done it – once I've had a girl I can't resist going back for one more. And it's usually better than it was when you were together: you're both making more of an effort, like it was the first time you got her into bed.

"It makes a difference who's chucked who. If you've packed her in then nine times out of ten she'll do it again just to restore her sense of pride – prove to herself it wasn't because she's unattractive or anything.

"Of course, they often think you're going to get back together, and eventually they realise what the game is. But I've found you can get away with it for, oh… two years or so before they get fed up." Way to go, Mike...

An Agony Aunt Says...

Karen Krizanovich answers readers' problems for Sky Magazine. She can see the attraction of sleeping with ex's.

"It can be a really good idea – if you do it once. It's nice, it's comfortable, it's comforting... a bit like your mum's cooking. You know you like the taste, so why not go back for more?

"There's a lot more of it going on than anyone thinks, too. People who do it don't tell their most intimate friends, because they know they'll disapprove. But everybody does it!

"People often fantasise about the last screw with their ex because it sort of sums up in their minds all the good times, and it's fine to go back and do it once more. But if you start doing it regularly it can get very messy, and you never move forward."

...But Mayfair Says

We all want sex, and ex's are fair game. Here's how to make sure that extra shag is a roger to remember:

- Do get her a bit drunk – but not too drunk. Semi-conscious ex's are not good lays.
- Don't do it in your old bed – she'll get all emotional. Get a hotel room or a mate's flat.
- Do try all the filthy things you never did while you were together. What have you got to lose?
- Don't tell all your friends. If she finds out, you won't be able to go back for another one.
- If she goes for it, the sex is great and she brings you tea and toast in the morning – don't get tempted to make it a permanent thing again. After all, there are millions of other potential ex's out there...

DEBBIE

PHOTOGRAPHED BY ROGER VINCENT

Did you know each other before this photo shoot took place?

Debbie: ***Oh yes, we go way back! I first worked with Sian on a porno film called, oh, what was it now…***

Sian: ***It was*** **Wild 'n' Willing,** ***Debs, don't you remember? We were supposed to be on holiday in that farm house, you know, and Mark Mates played the farmer's son?***

Debbie: ***That's right! It took me weeks to get that bloody straw out of my knickers!***

Do you ever, er, get together when you're not working?

Sian: ***Only for a drink and a good gossip, to be honest. We're not*** **real** ***lesbians.***

Debbie: ***Wait a minute, though, Sian. There was that time after the Golden Dildo Awards in Santa Monica, when we shared that really neat hotel room together. You must rememer that!***

Sian: ***[giggles] Well alright, we did once. But it's not like we're at it all the time or anything…***

Do you prefer to work alone, or together?

Sian: ***It's always better working with another person, I reckon.***

Debbie: ***Yeah, it's much more of a laugh. We had a great time doing this shoot… it got a bit crazy later on, too. [Nudging Sian in the ribs] Didn't it, you little minx? [They both crack up].***

So you enjoyed it, then?

Debbie: ***Phwoar, not half! No, seriously, it was blazing hot that day – even the shower water was warm! So it was really laid back.***

Sian: ***Definitely. It was nice to work outside the studio for a change. Although, quite frankly, location shooting is sometimes very uncomfortable.***

Finally, tell us your most intimate secrets…

Sian: I've never tried anal sex, that seems pretty intimate to me…

Debbie: Ooh, you liar! I saw that film you made for that company in Germany – it looked like you'd had plenty of practice in that!

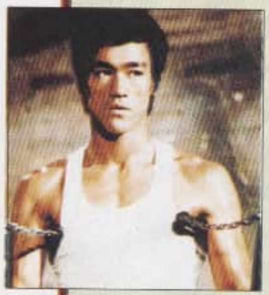
Every month thousands of CDs, videos, books and computer games get shoved onto the shelves, but most of them range from dull to dire, right? So, when pay-day finally comes around and you find yourself in the market for a new bit of kit, how are you supposed to know what's worth whipping your wad out for and what's not? Well, we'll tell you...

WHIP OUT YOUR

VIDEOS

Enter The Dragon

(18, Screen Classics)



Re-released to buy, it's a toss-up between this and *Get Carter* for the title of coolest film of the '70s. Bruce Lee in a tracksuit most ravers would die for, Jim Kelly is "too busy looking goooood" and John Saxon is simply God!

Erotique

(18, High Fliers)

One of those 'portmanteau' films where you get three short films rolled into one, so you should find something to suit you among the roll-call of sex-starved phone operators, lesbian sadists and the secrets of oriental lovemaking. Oh, and it thinks it's clever – it's not.

Mortal Kombat

(15, First Independent)

We know what you're thinking but trust us, it really is great fun. No story, no acting, no dialogue; just fights, rumbles and punch-ups. Watch out for the big fella with too many arms – even Bruce Lee would have broken into a sweat taking care of him.

FILMS

Strange Days

(18)

Not exactly a feel-good movie, more of a bad-trip vision of the future, set right at the end of this century. Our own Ralph Fiennes is suitably sleazy as a hustler selling other people's experiences. It's *Midnight Cowboy* meets *Escape from New York*. Millennium Commission be warned!

Get Shorty

(15)

We hate John Travolta – women just won't shut up about how bloody cool he is – but even we have to admit he's good in this, loosely based on a book by the excellent Elmore Leonard. Nicely-paced, stylish and funny, just don't take your girlfriend to see it.

When Saturday Comes

(15)

Yes, it's completely predictable hokum about a Northern soul who dreams of playing for the Blades, but at least it's a dream we've all shared at one time or another. Lightweight and harmless, there's enough drinking and general laddishness to make you forget you're actually at the pictures instead of out on the pull. Well, almost...

Various Artists: Trainspotting Film Soundtrack (EMI)

Trainspotting

Even if you're the only person in the country who hasn't seen the film, you'll still enjoy this mixed bag and everyone will think you're dead cool when they see it in your record collection. Blur, Pulp, Primal Scream, Leftfield, Brian Eno...enough said.

The Style Council: The Style Council Collection (Polydor)

These days, Paul Weller is regarded as the grand old man of Britpop, but back in the eighties, admitting you actually liked The Style Council was like saying you had dandruff. Funny how things change, innit? This 'best of' selection allows you to listen without guilt and make you wish you hadn't chucked your original albums away.

GAMES

Adidas Power Soccer

Sony PlayStation

Psygnosis, £44.99

Fun footy with silky ball skills, commentary from Brian Moore, and realistic features such as shirt pulling, deliberate handballs and neck-high tackles. In fact, the only thing missing is the ginormous great queue for the bogs at half time!

Dungeon Keeper

PC CD-ROM

Bullfrog, £44.99

An ingenious twist on the role-playing theme – you play the omnipotent dungeon master, controlling an array of monsters to thwart those pesky adventurers! Bordering on the nerdy, but fun all the same – whirly propeller hats, anyone?

Panzer Dragoon 2

Sega Saturn

Sega, £44.99

Impressive 3D graphics, massive fire power and some truly gob-smacking final bosses make for one spectacular shoot-'em-up. Not a 'thinking man's' anything, really, but an out-and-out death-fest suitable for mindless morons – like us!

Phew, what a month it's been here at Mayfair Mansions – like the new redesign, do you? We haven't just been playing about with the look of the mag, mind, oh no. We've been out and about as usual, hob-knobbing with such luminaries as Barbara Windsor, Jet from *Gladiators* and, er, Burt Bacharach.

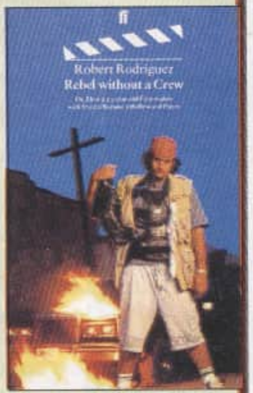
BOOKS

Grey Area
Will Self (Penguin, £6.99)

You can't turn on the TV without seeing this Nick Cave look-alike spouting about something, so read him instead. Short stories about weird drugs and weirder people, and it comes in a great retro-styled jacket so you can pose on the bus.

Rebel Without A Crew
Robert Rodriguez (Faber & Faber, £11.99)

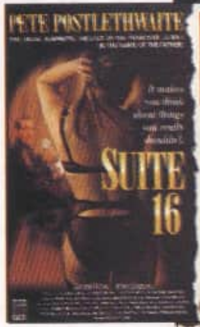
One of Tarantino's best buddies relates how he begged, borrowed and stole $7000 to make his first film, *El Mariachi*. Now, all the major studios are waving cheque-books and cocaine in his face. It's that easy.



James Brown: Doin' It To Death
Geoff Brown (Omnibus, £14.95)

The life story of a true 'sex machine', and if only ten percentof this is true, he was certainly mad, bad and bloody dangerous to know. Sex and drugs and rock 'n' roll, little Jimmi B lived the life alright – altogether now "…I got mine, don't worry 'bout his. Heeearrgh, yeah! Get down!"

SUITE 16 AND NEVER BEEN SNIPPED



Proving yet again that there's no such thing as bad publicity is a new video release called *Suite 16* (geddit?). It's the sort of low-budget European co-production that would have played a few art-house cinemas before disappearing into the ranks of videos people only rent by mistake. That's what should have happened, but upon its theatrical release earlier this year, the *Sunday Express* decided it needed something to get its blue-rinsed readership all steamed up about, and *Suite 16* fitted the bill.

With 'porn' being one of their favourite subjects, and hatred of the European Union another, the fact that a decidedly soft-core feature had obtained part of its funding from Eurimages, the EU's film fund, made *Suite 16* a perfect target for the paper's outrage.

Fair Play, Ferman!

The main object of the *Express's* fury was James Ferman, the head of the British Board of Film Classificators (BBFC), who had passed the film without cuts. This is a slightly surprising decision: most other European countries had demanded minor cuts and the BBFC isn't renowned for its leniency, although the film does have some highbrow credentials.

The main stars, Pete Postlethwaite *(In the Name of the Father, The Usual Suspects)* and the stunning Geraldine Pailhas (bound to please in our still, right) are well-respected actors, and by no stretch of the imagination is the movie a simple skin-flick: *Time Out* and *Premiere* gave it good reviews.

Criminal Injustice

Under mounting pressure from the *Express* readership, the government got involved, with private screenings arranged for Michael Howard and Virginia Bottomley. Indeed, film industry insiders are muttering that the recent government decision to pull out of the Eurimages project was a direct result of *Suite 16's* notoriety.

Anyway, the film's out in its uncut form on Polygram Video, so hire it now while it's still available. Once you've watched it, see if you feel depraved and corrupted. If you do, write to your MP and demand that it is banned immediately!

TOP TOTTY IN YOUR BIRD'S MAGS

There are usually a handful of right raunchy wenches on display somewhere within the pages of your girlfriend's favourite mag, but you'd have to be a seriously sad individual to go thumbing through them all. But don't despair – with this handy 'Mayfair Flip-To-The-Good-Bits Guide™' you can cut straight to the action without coming face-to-face with such knob-drooping delights as 'The Menopause', 'Knitting For Toddlers' or, god forbid, 'Your Photo Guide To Vaginal Warts'!

We plucked this one from a phone box in Wardour Street, and it's our PBF OTM for two reasons: one, it doesn't beat about the bush, and two, the editor reckons the bloke looks exactly like his old geography teacher – is that really you, Mr Edwards?

Dear Mike love

CARRY ON BABS

Honestly, it's such a drag working for *Mayfair* – people keep coming up in the street and asking to have their picture taken with you. Here, you see sub-editor Mike Collier helping out an admiring fan during an incognito weekend in Gloucester. She introduced herself as an aspiring young actress called 'Babs' and was very nice, though Mike was slightly worried by the sinister presence of *Eastenders'* Big Ron behind him. We're sure that now she's appeared within the hallowed pages of *Mayfair*, her acting career will really take off.

Barking Mad Nutter Of The Month

❝ I will pay you in pound or dollar ❞

In the spirit of the UN, one 'Jimbo Gomes' has written to us from Oman. Apparently he's after the "medicine of sexuality" and is willing to accept it in the form of "capsule, cream or spray." He's also after a "peni lager", and signs off with the frightening demand that Mayfair must "make me happy very soon." Our verdict – nutter!

YOUR FACE MY ARSE!

Poncey fashion magazine *The Face* recently ran an article knocking porn and, to illustrate it, they used a scrunched-up front cover from *Mayfair*. Now, we're not the grudge-bearing types, no way. In fact, we'd always rather settle things in a manly fashion in the car park. But since the fashion-victims who orchestrated this vile slur probably couldn't punch their way out of a damp chiffon nightie, we thought we'd respond in kind. A bit childish? Certainly. Sore on the ring-piece? You bet your ass it is! Wanna make something of it, poncey *Face* peeps? C'mon then, soft lads, we'll have you any day...

Spring is well and truly here; the flowers are out, the birds are singing and our chums at Headline Publishing are sending us some of the season's best new erotic fiction. Pick of the bunch is Faye Rossignol's *Beginners Please* (Delta, £4.99), in which a string of working girls tell about their experiences (and, boy, do they work hard!). It's sexy and the girls sound real, intelligent and fun.

Best of all, as you start each page, it's topped by a choice quote from what you're about to read, so just when you think you're going to turn out the light, you see "Playing it like a mouth organ" or "Open your legs wide" staring up at you. Looks like another late night...

BACHARACH TO BASICS

Forget KY Jelly. Forget Love Eggs. And for god's sake forget the Black Mamba. The king of all love aids, easy listening music, is back with us and the war is on! After Mike Flowers took easy overground with his pastiche of Oasis' Wonderwall, corporate whoring of the soft and sassy sounds of Burt Bacharach et al has reached epidemic proportions, with compilations seemingly being released on the hour.

Best of the bunch to guarantee successful seduction are The Look Of Love (A&M), the compilation of Bacharach classics including Walk On By, Anyone Who Had A Heart and What The World Needs Now Is Love, and In Flight Entertainment (Dream), a compilation put together by top DJs The Karminsky Experience and featuring 19 obscure and wonderfully overwrought easy experiences.

Take our advice – put on a velvet suit, mosey on down to Club Montepulciano in Camden or Bristol's Club Cheese, and order a vodka martini with these records sticking out of your pocket. If that doesn't get you a shag, you're a lost cause.

GIRLS ON FILM

So no-one wants supermodels to ponce up and down the catwalks advertising unwearable clothes at unaffordable prices any more? Don't worry. The film industry – always there with the silly money – is helping out our most famous faces with a spate of top totty-toting movies.

Unzipped, the 'documovie' revolving around the life of 'top' designer Isaac Mizrahi (so how come we haven't heard of him, eh?), is released this month and features Linda Evangelista, Naomi Campbell, Kate Moss and Cindy Crawford all playing themselves; apparently, the only roles they auditioned for in which they were at all convincing.

The tattoo-enhanced Pammy-fest that is Barb Wire eventually sees the light of day on May 3rd, while Naomi shows us how good she is at playing a phone sex girl in Spike Lee's latest, Girl Six, on May 17. It seems that the girls' bank accounts won't quite be drained to their last ten mil just yet.

IGGY DOES IT DOGGY STYLE

Iggy Pop is back with a new album called *Naughty Little Doggy* (Virgin) that nobody particularly wants to talk about. Which is good news because it means Iggy can get into the dirty stuff. Here are the top ten revelations from the legendary knob-rocker's recent bout of press encounters:

◆ The longest Iggy's been celibate is a year.

◆ He didn't have his first wank until he was 25! Incredibly, he didn't explode.

◆ Nico, sixties New York diva and close friend of Andy Warhol, let him hone his oral techniques on her very willing pussy. What a trouper.

◆ Iggy's 48 now, but assures us that his tackle is still fully functional. We assume he checks it regularly.

◆ The poor, misguided fella has accidentally pulled a transvestite in his time. When he realised the error of his ways he merely resorted to whacking off over his arse. 'An ass is an ass,' he says. We beg to differ.

◆ Being called 'Horse Dick' at school didn't hurt too much.

◆ Wearing a condom does. He doesn't like 'em!

◆ He's been married for ten years and says he has been a 'faithful friend' to his wife.

◆ He doesn't worry about what his son thinks of Iggy Pops running around on stage with his knob out.

◆ Iggy can't really take drugs too often anymore. 'My brain's too fried,' he reasons.

Recent reports in the national dailies suggested that everyone's favourite *Gladiator*, Jet, would be willing to pose as nature intended. We talked to her and offered to pay £25,000 to the charity of her choice if she'd drop 'em for us, but as she is currently involved with a new children's TV show she declined. "I'll probably be able to do it in a couple of year's time, though," she told us. Being avid fans of the Jetster, we urge her to get 'em off at the earliest possible opportunity for *Mayfair* readers.

We're launching a campaign to get inside Jet's leotard, and we want you to throw your weight behind it. TEE-HEE SHIRT

Fuck Britpop

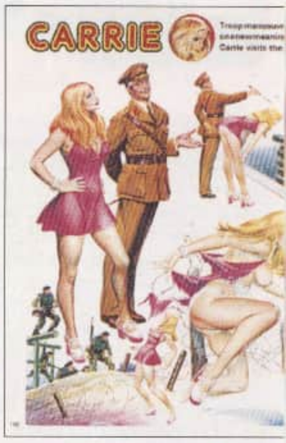
Is it over for Britpop? Oasis might have something to say about that, but the word on the street is that last year's major explosion is... well, last year's major explosion. Evidence? The tastefully sloganed 'Fuck Britpop' T-Shirt by record label Blue Room. A foul-mouthed bargain at just £9.99 (inc. P&P) from: Blue Room, 28-30 Rivington Street, London EC2. The lads and lasses over at Blue Room were kind enough to donate three of the shirts for competition prizes, but we figured bollocks to it and kept them for ourselves. Sorry folks!

DECADES O

Mayfair is thirty-one years old this year, and to celebrate we're introducing a new section dedicated to our glorious past. Sadly, we couldn't find this issue's corresponding title of thirty years ago, but the ones from ten and twenty years back more than make up for it. So come on you crazy cats, let's boogie...

"Oh bugger! I'll never get used to these stupid shoes."

The date was May 1976, fags cost just 31p for twenty and the former Miss Norwich featured in a six-page spread. Excellent adverts this issue ranged from Casablanca Aftershave ("The aftershave that lingers on") to the all-new Jockey Action Shirts ("Cool it! Life's a beautiful game"). Come again? The latest luxury car was the sporty Mercedes-Benz 300SL Coupe (although there was no mention of price), and the issue also saw Mario Capaldi's magnificent cartoon character 'Carrie' cavorting over an army obstacle course. Brilliant! Best-looking bird of the issue was definitely 19 year-old Zoe from Barnstaple... just dig those crazy platforms, baby!



We were so impressed with this 20-year-old cartoon-type thing we were tempted to print it full size. Should we have? Let us know what you think...

……

Dateline May 1986; terrible hair-styles are still the order of the day, but footwear has improved immeasurably. This issue featured such delights as a travel report from the yet-to-be-popular holiday destination of Florida, a cracking review of Half Man Half Biscuit's *Back In The DHSS* (who can forget the album's crowning glory, *I Hate Nerys Hughes – From The Heart?*), and a truly awful advert for Kouros aftershave. Girl-wise, 23 year-old copper's girlfriend Debbie Cobb was the most attractive – wonder if she ever married him?

"You'll never take me alive, copper! Oh, it's you dear. Had a good day at work?

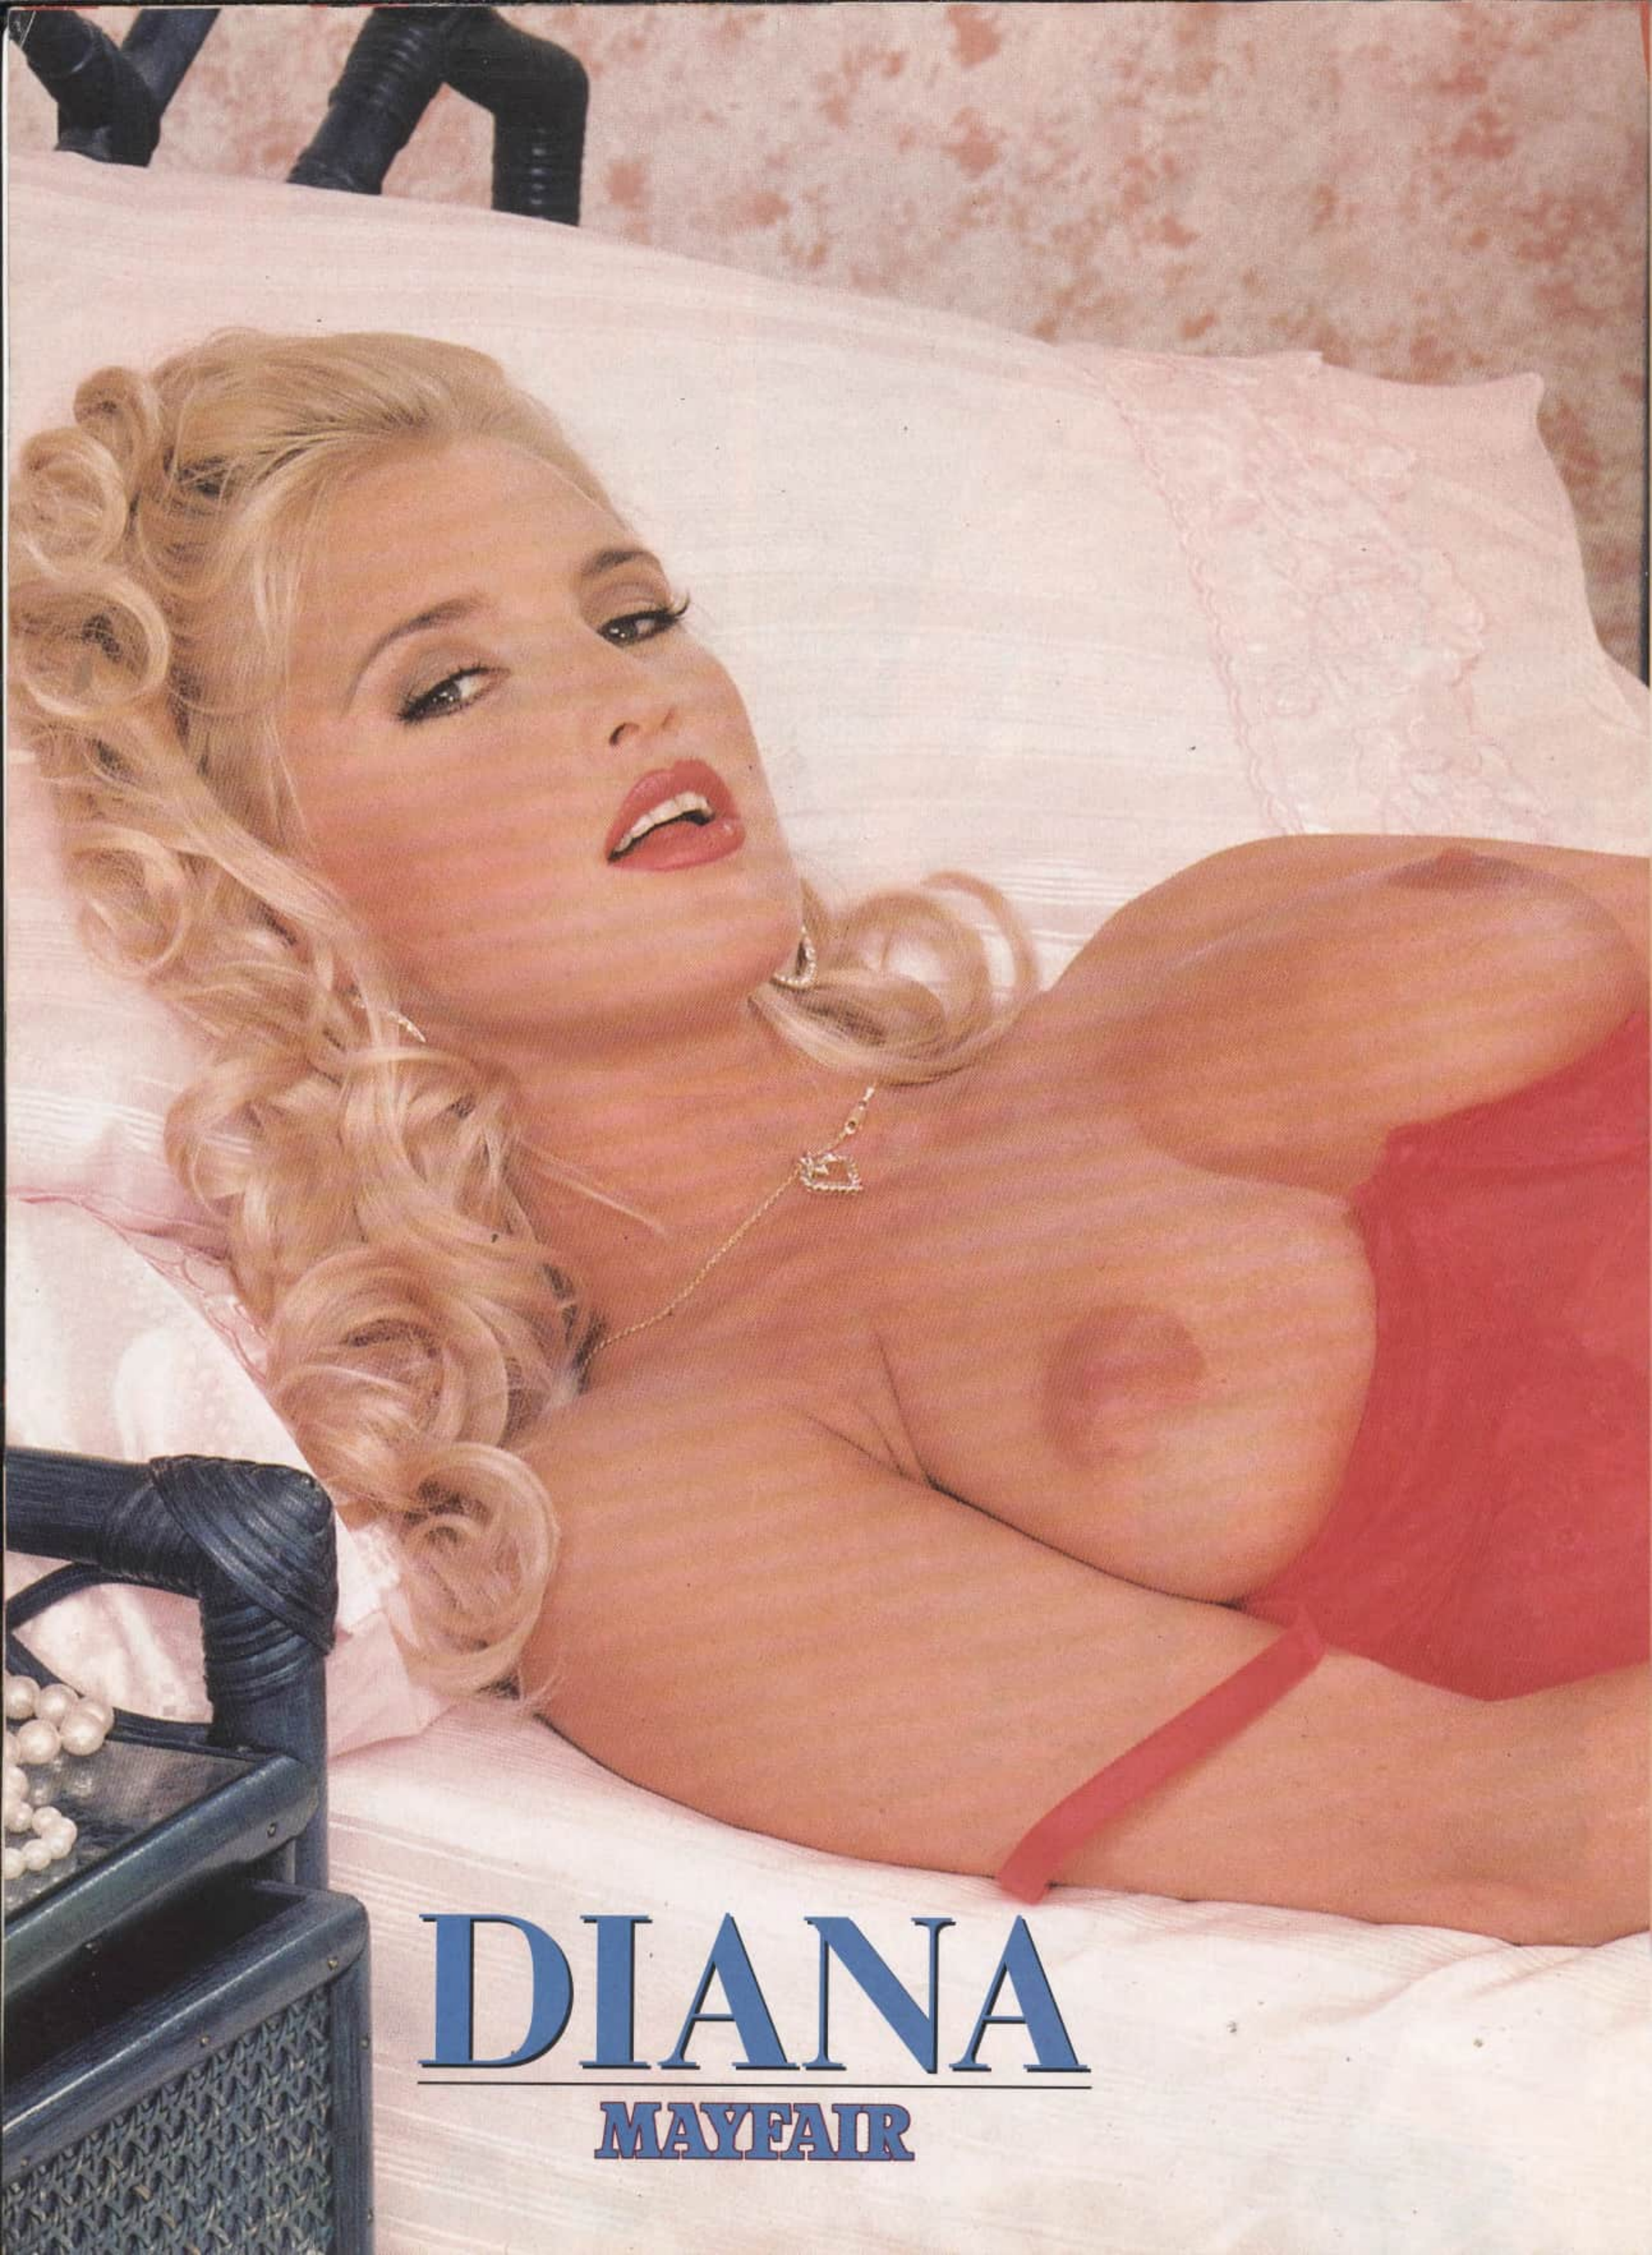
DIANA

PHOTOGRAPHED BY VIV THOMAS

Favourite Type of Restaurant: ***A girlfriend of mine recently took me to a new Lebanese place that had only just opened near her. I'd never even heard of Lebanese cuisine before, but now I can't get enough of it!***

Nickname and Why You Have It: ***It's not really a nickname as only my mum ever calls me by it. And it's embarrassing [sighs]. She calls me 'Dinky Di', okay, and don't laugh because it's not funny. I'm 22 years old for god's sake!***

Favourite Kind of Movie: ***I'd honestly never seen a porno film before I was asked to appear in one and, having done it, I just had to see what it looked like. Now I watch three or four a week (and not just for research purposes either).***



DIANA

MAYFAIR

Favourite Make of Perfume: ***The new Calvin Klein one is quite nice, and I also use a lot of Anais Anais – but if I had the money I'd bathe in Chanel No.5 every morning (not much chance at £131 a bottle though!).***

Most Embarrassing Moment: ***I had an appointment at a really posh modelling agency once, and I'd spent all morning getting myself ready. When I finally arrived I was so nervous I ducked into the ladies, and when I finally emerged I was trailing about three feet of Kleenex behind me – it had got stuck to my heel!***

Most Erotic Experience: ***A few years ago I did a photo shoot in Hawaii, and while I was there I met this incredibly horny local fellow. Well, one thing led to another and we ended up going at it like crazy right there on the beach, in plain view of about twenty people! What a turn on, I can tell you…***

Worst Date Ever and Why: ***I went out with a professional footballer for about two months [she wouldn't say which one], and he took me along to watch his team play since he'd suffered an ankle injury and wasn't playing himself. Talk about boring – and it was so cold I thought my boobs would drop off!*** Ⓜ

might as well be tattooed on your face!" If she was expecting me to bottle it, she obviously didn't know how often I'd wanked to just such a possibility! I checked the boss was still hard at it, then decided I'd get at it myself. "Get into my office then," I ventured, and swore in disbelief as she grinned and strode past me into my room, closing the door behind her.

I followed her, and swore out loud this time as I felt my cock swell massively in my pants. Denny was unbuttoning her blouse, staring straight at me with those killer brown eyes. "I always feel horny early in the morning," she smiled as the blouse skipped to the floor. Her tits quivered slightly as she laughed to see the bulge in my trousers. "If you want me to do something about that, you'd better be quick. I don't fancy a threesome with baldy in there if he comes in!"

SUDDENLY DIGGORY'S GIRLFRIEND WAS CAUGHT UP IN THE GRAVITATIONAL PULL OF THE SUN

Not even the thought of my boss could dampen my ardour at this stage. I moved over and gently felt her left tit. She sighed and closed her eyes as I eased it out of the white lace of her bra. I traced a finger round the pinky-brown points of her nipples, watching the smooth skin around them pucker up into gorgeous little ripples of sex-flesh. I took them in my mouth, pulling gently on them with my teeth. Judging by the groans I was getting she had sensitive breasts, and while I may not be the most sensitive of men, I knew it would be unforgivable of me not to fuck her then and there over my desk.

I managed, for about the first time in my life, to undo a bra with one hand. As the other tit fell free I felt her hand reach out and squeeze my dick through my trousers, fumbling for my zip. She stood up and kissed me hard on the mouth, pushing her tongue against my teeth, licking round my lips, biting my chin, generally acting like she hadn't had it in months! My cock sprang free of my pants and she wanked my shaft up and down, the other hand pulling at my clothes until my trousers were round my ankles and my shirt was lying on the floor. She squeezed my dick so hard the helmet swelled up still further – then she ducked down and sank it straight into her mouth without hesitation.

No doubt – this was a quality blow. While she cupped my balls in one hand she wanked me against her tongue with the other, grazing her teeth over my bell-end and slobbering up and down my length, occasionally looking up at me with those lethal eyes. Her grin looked even sexier with my cock sandwiched between her teeth, and I started to fuck her mouth while she just stared up at me, breasts heaving below me.

Suddenly she stopped. "That's enough of that – I haven't got all day." She stood up and unzipped her skirt. Any slight disappointment I had that she wasn't wearing totally impractical lingerie was soon erased by the sight of her lightly-furred pussy. She smoothed the fine hairs on her mound by running a hand through them, then lay back on the desk, her tits lolling around on her chest, nipples pointing straight up at the ceiling. I moved my face down towards her crotch but just as I was inhaling the smell of her pussy she grabbed my hair and pulled me upwards. "I want your cock in me now, not your tongue. Please, just do it to me," she breathed.

"Oh, alright then," I smiled, and nudged the end of my dick, still smeared with Denny's saliva, against her fleshy cunt lips. You know what it's like when you push your way into a new pussy – familiar yet new, there's just no better feeling. It took a few gentle pushes to ease my dick right up inside her, then I stirred it around, squeezing her tits as she groaned and threw her arms back behind her head. "Don't tease me you bastard – fuck me!" she hissed. I smiled, and began to move my dick in and out of her.

THE RENAULT SPO SPID

What's So Good About It, Then?

Essentially a circuit racer adapted to road use, the Renault Sport Spider eschews such pansyish add-ons as a roof and a windscreen and instead promises the kind of single-minded, no-frills, stripped-for-action driving that's been missing since the Lotus Seven first dished it up. The engine mounted behind the driver gives the car excellent weight distribution and near-perfect balance. The sophisticated rose-jointed suspension components, trick chassis and hi-tech know-how are carried over from the company's successful single-seat racecar projects, and it'll outsteer anything this side of a Ferrari F355.

It's quick, too: with nearly 200 brake horse power per tonne, the Spider takes only six and a half seconds to reach 60, and is good for more than 130mph. Best of all, it's fun and funky – the sort of car which encourages you to take the long way round, then do it all again.

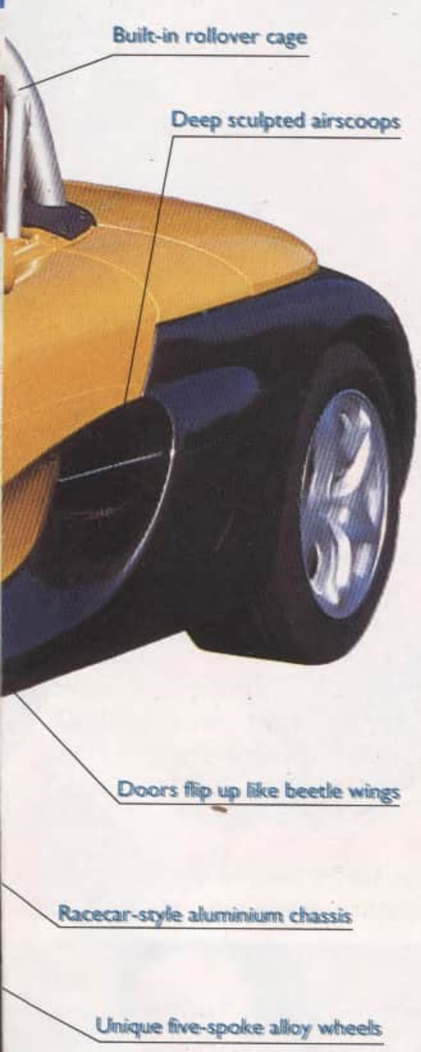
Okay I'll Take It – What's The Damage?

Only five grand if you want to go racing, but that's just the deposit – they'll bill you the rest later when the Renault Sport Spider gets its own race series with up to 30 cars fighting it out at each of the UK's largest race meetings this season. To put one on the road, you're looking at closer to £25,000. For that, you don't get windows, carpets,

ORT
ER



Built-in rollover cage
Deep sculpted airscoops
Doors flip up like beetle wings
Racecar-style aluminium chassis
Unique five-spoke alloy wheels

power steering, a CD player or even a speedo. What you do get is plenty, and driving it, you'll be laughing out loud. Spectacular looks are more than matched by its striking abilities. With pulling power (lots of it!) and panache by the bucket-load, this is the kind of no-nonsense driving machine you thought they'd forgotten how to make. Lotus should have built it and Porsche is still trying to, but Renault got there first and the race is all but won.

Favourite Place: *I love to go up onto the moors for long walks, either on my own or preferably with some dark, mysterious man – I'm crazy about Mr Darcy in* **Pride And Prejudice.**

First Kiss: ***Oh, I must have been about fifteen. I was on an exchange visit to Switzerland and fell in love with my ski instructor. I kept falling over just so he would pick me up again. He said I was the worst pupil he'd ever had and pecked me on the cheek – I almost fainted!***

Favourite Outfit: ***I have to go to quite a few important functions as part of my work, and I love getting dressed up – my wardrobe's nearly as big as the rest of my bedroom. My favourite dress is a beautiful black silk one that cost me a fortune. It's cut very low at the front and usually earns me a few admiring looks.***

Worst Habit: ***Well, there's not much I can do about it – apparently I talk in my sleep. One of my old boyfriends got so fed up with it, he set up a tape recorder next to the bed and made me listen to myself in the morning. It was so embarrassing – especially when I started saying another man's name!***

Pets: ***I'm a cat person and have a lovely moggie called Fluffy. She's just like me: very vain, always preening herself and eating far too much! You're not going to make any jokes about my nice little pussy, now, are you?***

Most Erotic Experience: ***There have been so many, I don't know what to choose. I suppose it must be something that happened last week. I was interviewing a rugby player in his changing room and could tell he was eyeing me up. One thing led to another and we ended up in the huge bath together when the rest of the team had gone – I've still got his rugby shirt to prove it!***

QUEST

Anal Sex. Until recently, it wasn't allowed. People did it. Now it's legal. People still do it. People will always be doing it, but what do real women really think of it?

DETAILS REQUESTED

Name:	Jane
Age:	24
Marital Status:	Single
Home Town:	High Wycombe

Have you tried anal sex and, if so, when was the first time and who was it with (i.e. boyfriend/husband/girlfriend/vibrator etc.)?

First time was in a long-term relationship – we just wanted to try everything and were comfortable enough with each other to take our time and see what happened. I've never had anything other than a dick and a finger up there. I have done it again since with a new partner.

Was it painful the first time you tried anal sex? If so, how painful?

Peculiar rather than painful, although if he gets carried away and goes at it like normal sex, I have to tell him to hold back! The first time, we really took it slowly and didn't even get as far as full penetration. I've since learned ways of making it easier: i.e. take it slow and get it wet!

Do you have anal sex on a regular basis? If so, roughly how often? If not, why not?

Not regular, but I've done it maybe ten times in three years. It makes a change when you want to add a new dimension. It's nice to be really dirty sometimes. I use it more for a thrill than for sexual satisfaction.

“I WAS **SORE** FOR A FEW **DAYS** AFTERWARDS, BUT IT WAS **WORTH** IT”

Tell us what you like/dislike about anal sex…

I like the intimacy – it's hard to get more private or personal. It shows real openness, it's something secret to be shared. I like the feeling of fullness, he likes the tightness and sheer crudity of it. I dislike the risk of dirt and getting a sore bum!

Do you ever fantasise about anal sex? What kind of fantasies do you have? How often?

Fantasies tend to veer towards the unusual, so I suppose I do think of a hot tongue or wet finger round there! Not a staple part of my fantasies, though.

Do you/would you use any kind of lubrication? Which kind do you use (i.e.. KY Jelly/Vaseline/saliva etc.)?

Just spit and natural lubrication from my pussy. Nature knows best!

Do you/would you insist that your partner uses a condom during anal sex? Why/why not?

I haven't so far because the two men I have done it with have been long-term partners. If I ever performed with a relative stranger, yes I would. But I can't imagine doing something so personal on a first night!

Does your partner enjoy anal sex? How do you know he/she does?

Yes he does. In fact, he is usually the one who initiates it! He also loves it when I lick and gently finger around his bum-hole. I like doing that for him, too. He's just plain kinky!

“IF YOU DON'T **HAVE** A **GO,** YOU'LL NEVER **KNOW** IF YOU **LIKE IT** OR NOT”

Have you ever discussed anal sex with your friends? What was their attitude? Had they tried it? Did they like it?

Of course! Girls talk about everything! Four of my closest girlfriends have done it, one regularly, the others just experimenting. They like it more in a loving relationship than as a one-off.

Can you talk us through the sensations you feel before, during and after anal sex? Please be as descriptive as possible…

Before: obviously highly aroused anyway, when the option arises. Sort of a nervous excitement, we have to take it slowly.

During: it's peculiar to have the normal hole empty and the back passage full – very full. It's especially arousing to have the clit stimulated at the same time.

After: very close, a bit giggly at having been so naughty. I always have a bath or shower before starting again

In which position do you/would you enjoy anal sex the most (i.e. standing up, kneeling down, laying on your back, your stomach, etc.)? Why this position in particular?

I've done it doggy, missionary, on my stomach and with me on top. I probably prefer doggy-style, because I don't need to move much and he is in control so is able to respond perfectly when I ask him to go deeper, not so deep, slower etc.

Did you know that up until a few months ago anal sex between a man and a woman was strictly illegal and constituted a criminal offence (even if you were married and performing the act with the full consent of both partners)? What do you think about the change in the law (it's now legal if you are over 18 years of age)?

Of course it should be legal! It's my hole, I can do what I want with it! Any sort of force would be rape, whether vaginal or anal, so as long as both parties are mature and consenting, I can't see a problem. You've got to have something new to try.

Do you ever combine anal sex with other forms of sexual behaviour (i.e. bondage, corporal punishment, water sports. etc.)?

We have tried water sports and light bondage, but have never combined such 'experimental' practices with anal, just with good old-fashioned bonking.

Finally, please describe in detail the most erotic experience you have had involving anal sex. Where was it? Who with? How long did it last? Tell us about the entire episode from the build-up right through to the next morning…

We had been out with friends, drinking and flirting with each other. We fell into bed for passionate sex. We fucked normally, felt risky and wanted to try more together than we had before. We pulled the double bed across the room so we could watch in the big mirror.

We were very aroused and talked about having anal sex. Without him asking, I licked his bum, which took him by surprise, but he liked it a lot. He fucked me up the bum in the doggy position and with me flat on my tummy. It started slowly, but the whole scene – dirty sex, candles, sweating under the duvet – made for a lot of fun.

I didn't have an orgasm from that, but my fanny got dripping wet, which excited him even more. We changed positions so he was on his back and I was squatting over him with his dick up my bum.

Have you tried anal sex and, if so, when was the first time and who was it with (i.e. boyfriend/husband/girlfriend/vibrator etc.)?

An old boyfriend introduced me to the joys of anal sex. It was the best thing he ever did for me! I've been practising for about five years, and I think I'm pretty damn good at it now.

Was it painful the first time you tried anal sex? If so, how painful?

It was painful, but it was an enjoyable sort of pain. It doesn't hurt any more, now I know what I'm doing.

> **“I THINK ALL MEN WONDER WHAT IT'S LIKE AND SECRETLY WANT TO FIND OUT”**

Do you have anal sex on a regular basis? If so, roughly how often? If not, why not?

Yes, at least three times a week, it's my favourite way of doing it. If a man won't give it to me up the arse, I drop him. It makes me sound like a complete bitch, I know, but at the moment I'm not interested in a relationship, just in having the best possible sex.

Tell us what you like/dislike about anal sex…

I don't dislike anything about it. As far as I'm concerned, God gave me a bum so I could get it filled with dick! It feels superb, so full and tight.

Do you ever fantasise about anal sex? What kind of fantasies do you have? How often?

I don't need to fantasise – I make them into reality. Often, I'll get someone to treat me roughly or take me when he's least expecting it. I've done it on the bus, in pub toilets, even on a boat floating in the marina.

Do you/would you use any kind of lubrication? Which kind do you use (i.e. KY Jelly/Vaseline/saliva etc.)?

Lubrication makes it a lot easier, and I usually use KY, but sometimes I do it 'au naturel'. You get a good rubbing sensation and get very, very hot.

Do you/would you insist that your partner uses a condom during anal sex? Why/why not?

I always insist they use an extra-strong condom, because it's not often the same bloke two times in a row. I'm a bit of a sexual adventurer, and you can still feel the differences between dicks when they're wearing johnnies.

Does your partner enjoy anal sex? How do you know he/she does?

I've never had any complaints! Most men are so surprised and pleased when you ask them to take you up the arse that they get on with it before you change your mind. I think all men wonder what it is like and secretly want to find out. That's fine by me.

Have you ever discussed anal sex with your friends? What was their attitude? Had they tried it? Did they like it?

My girlfriends mainly enjoy it, though some find it a bit too dirty for their tastes. They all know what I think about it and love hearing me tell them about my experiences.

Can you talk us through the sensations you feel before, during and after anal sex? Please be as descriptive as possible…

At first I'm just crazy with desire – I can't get it up there fast enough. While I'm being shafted, I concentrate on the sensations I'm getting and on making them last as long as possible. Afterwards, I'm thinking how I can get him to give it to me again and again and again…

In which position do you/would you enjoy anal sex the most (i.e. standing up, kneeling down, laying on your back, your stomach, etc.)? Why this position in particular?

Any and every position is equally good. It depends how hard and fast you want to go. It's hard to make it work standing up, but if you get the hang of it, it feels absolutely filthy. I love watching his dick going in and out.

Did you know that up until a few months ago anal sex between a man and a woman was strictly illegal and constituted a criminal offence (even if you were married and performing the act with the full consent of both partners)? What do you think about the change in the law (it's now legal if you are over 18 years of age)?

It shouldn't just be legal, it should bloody well be compulsory! I think every couple should be made to try it at least once. If you don't have a go, you'll never know if you like it or not.

QUEST

I'm thinking of writing a book telling people how to get the most from it.

Do you ever combine anal sex with other forms of sexual behaviour (i.e. bondage, corporal punishment, water sports. etc.)?

Yes. I'm very heavily into bondage and domination. Most men play along with you. I put a PVC catsuit on and whip them, then order them to fuck my arse hard. When they've come inside me, I tell them to change condoms and do it again – or else!

> **“I'VE NEVER HAD ANYTHING OTHER THAN A DICK AND A FINGER UP THERE”**

Finally, please describe in detail the most erotic experience you have had involving anal sex. Where was it? Who with? How long did it last? Tell us about the entire episode from the build-up right through to the next morning…

The best was when I'd actually gone without for a few weeks. My pussy and arse were aching for some cock action, so I went into town on the pull. The first pub I went into was hosting a stag night. They kept making suggestive comments while I was at the bar, so I thought I'd show them who was the boss and said I'd see what they were made of. I found out who the groom was and asked him if he'd ever fucked someone up the arse. He said no, so I dared him to, and we disappeared into the toilets. He wasn't bad, but things only really got going when I invited his friends in, one by one. I was sore for a few days afterwards, but it was worth it!

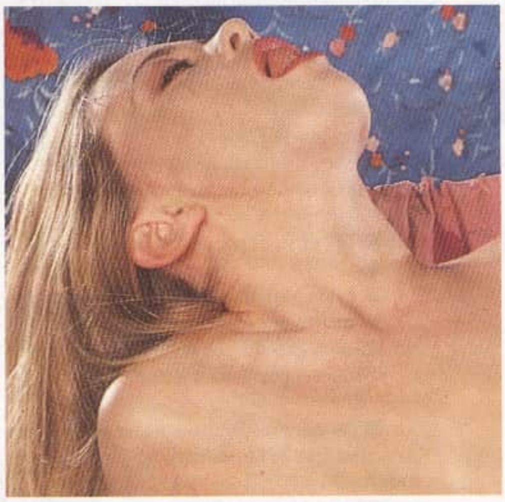
Have you tried anal sex and, if so, when was the first time and who was it with (i.e. boyfriend/husband/girlfriend/vibrator etc.)?

I first tried it about three years ago, with a man I've been seeing for a long time. He asked if I fancied trying it. I wasn't sure at first – I was scared it was going to hurt a lot, but he promised he'd stop if it hurt too much. When we tried it, it was actually very enjoyable – much better than I'd thought.



Was it painful the first time you tried anal sex? If so, how painful?

Only the first few moments hurt a bit, but I think that was just because I was so nervous. Once I'd relaxed and got used to it, it didn't hurt at all.

Do you have anal sex on a regular basis? If so, roughly how often? If not, why not?

We don't do it every night! About once a week is our average. It's nice to have something different you can try when you get tired of the missionary position.

Tell us what you like/dislike about anal sex…

It's just such a different sensation from vaginal intercourse. It's very difficult to explain the feeling unless you've actually tried it. It's not a matter of preferring one way to another, they're just different. It's still something that's thought of as a bit dirty, I suppose, but that's just a British thing.

Do you ever fantasise about anal sex? What kind of fantasies do you have? How often?

I don't really need to fantasise – we live them out. I have got my boyfriend to use a dildo a few times, but to be honest I prefer a good, old-fashioned dick!

Do you/would you use any kind of lubrication? Which kind do you use (i.e. KY Jelly/Vaseline/saliva etc.)?

Definitely! It makes the whole thing a lot easier. Usually we use KY jelly or something similar. I recommend it to other people if they're thinking of trying anal sex.

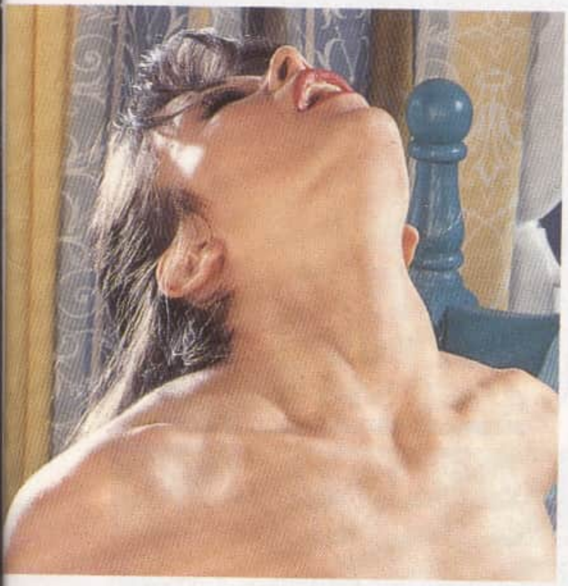
Do you/would you insist that your partner uses a condom during anal sex? Why/why not?

I suppose it would be a good idea, especially if you haven't known your partner for very long. We've been together so long though, we don't usually bother.

■ *Does your partner enjoy anal sex? How do you know he/she does?*

■ I certainly hope so! He keeps coming back for more, anyway, so I suppose he must do. It's good though – now that he knows we can do it when we both feel like it, he talks to me a lot more about sex. It's helped us discuss what turns us on generally, there's no feeling that there are things we shouldn't really talk about.

■ *Have you ever discussed anal sex with your friends? What was their attitude? Had they tried it? Did they like it?*



■ About half my friends will admit to having tried it, and I think some of the others had as well, but were too embarrassed to admit it. Some of them like it and some of them don't, which is just like every other kind of sexual practice. One friend swears by it and says it's a sure way to bring on an orgasm really quickly.

■ *Can you talk us through the sensations you feel before, during and after anal sex? Please be as descriptive as possible...*

■ It's no different to the way I feel during any other kind of sex – turned on before, enjoying it during the act and tired after.

> “**I LIKE** THE **FEELING** OF **FULLNESS,** HE LIKES THE **TIGHTNESS** AND **SHEER CRUDITY** OF IT”

■ *In which position do you/would you enjoy anal sex the most (i.e. standing up, kneeling down, laying on your back, your stomach, etc.)? Why this position in particular?*

■ Lying face down on a nice hard bed (I don't want to get bounced up to the ceiling!) with my bum in the air is best – it's easier to control the amount of penetration and is more comfortable than anything else. I'm not adventurous enough to try it standing up!

■ *Did you know that up until a few months ago anal sex between a man and a woman was strictly illegal and constituted a criminal offence (even if you were married and performing the act with the full consent of both partners)? What do you think about the change in the law (it's now legal if you are over 18 years of age)?*

■ I'm sure it's one of those things that has always gone on, people just never admitted it before. Hopefully now people will be able to educate each other in how to do it properly.

> “**I'VE DONE** IT **DOGGY** STYLE, **MISSIONARY,** ON MY **STOMACH** AND WITH **ME** ON **TOP**”

■ *Do you ever combine anal sex with other forms of sexual behaviour (i.e. bondage, corporal punishment, water sports. etc.)?*

■ No. When I'm having sex, I've got plenty to think about already without a load of whips and chains around!

■ *Finally, please describe in detail the most erotic experience you have had involving anal sex. Where was it? Who with? How long did it last? Tell us about the entire episode from the build-up right through to the next morning...*

■ It was with my regular boyfriend. We'd gone away for a weekend break and were staying in a big country hotel with a huge four-poster bed. In the middle of the night I got incredibly randy and stripped off while he was still asleep. Then I perched on the edge of the bed with my bum in the air and woke him up. The first thing he saw was me, primed and ready for a good fuck from behind. He went completely wild about that and we had a brilliant, passionate fuck right away.

WOMEN OF BRITAIN – YOUR COUNTRY NEEDS YOU!

Calls terminate in Guyana

Footnotes: 1. When Madam Veronica says 'Invitation', she means 'Order'. 2. For 'requests', read 'requires'. 3. 'the pleasure of your company' is clearly a joke - no member of the inferior sex has a personality of any merit whatsoever - substitute 'the amusement value of your pain and degradation'. 4. The word 'events' does not remotely do justice to what will happen to you. 'Depraved and harrowing training sessions' would be better, but in fact We can think of no words in the English language which describe adequately what you will suffer. Respectful suggestions may be sent to TCI, PO Box 168, EX1 1YD. with an SAE. Calls to Guyana cost 84p/min cheap rate, £1.04/min at other times; calls to Hong Kong cost 75p/min cheap rate; 94p/min other times.

PATRICIA

PHOTOGRAPHED BY PETER FLODQVIST

Favourite Night Out: ***You can't beat a really expensive meal with plenty of red wine – especially when someone else is paying! I'm a regular at a little bistro in town, where they always give me the best table. If there's one thing better than eating a meal, it's got to be working it off in bed afterwards.***

Do You Have A Boyfriend? ***I'm still too young and having too much fun to get tied down to any one man, so I don't have what you'd call a 'steady' boyfriend. Basically, if someone asks me out, and I fancy them, then I'll go out with them. And if the evening goes well, who knows where we'll go from there…***

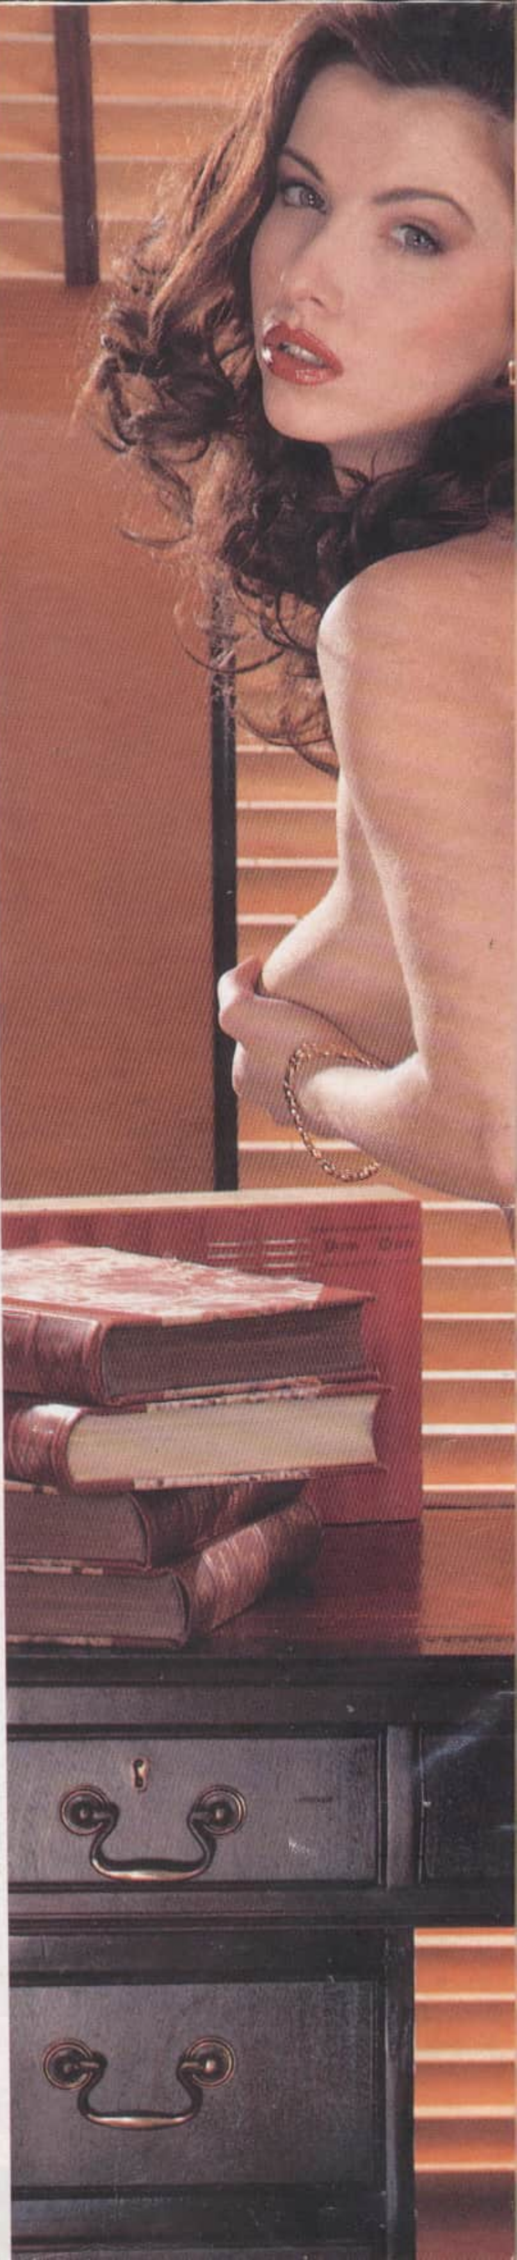
Favourite Sport: ***I'm not a big sports fan, but I keep in shape by swimming at least twice a week. It's the second best kind of exercise you can have...***

Favourite TV Programme: ***I don't have time to watch much television, but I like to catch*** The Girlie Show ***if I can – I like to see some of you men get your come-uppance!***

Most Valued Possession: ***That's got to be my car. I saved up for ages to get a big, flashy black BMW. Next time you see someone in the fast lane flashing you to get out of the way, you'd better look twice – it could be me!***

Favourite Film Star: ***Jack Nicholson – he's gorgeous! I like my men to look smart, treat me with respect and, above all, have a mischievous streak a mile wide. He wouldn't need an axe to bash my door down with…***

Most Frightening Experience: ***Last year, I did a bungee jump for charity. I've never been so scared in my life! It wasn't the falling down I minded so much as when I started bouncing up again at the bottom!***



Favourite Holiday Destination: *God, I haven't had a proper holiday in years! I always take a week off for the Edinburgh Festival, though, except afterwards I usually need another week off work just to recover! Other than that, I used to really like Spain – my folks used to take me and my sister there when we were kids. But anywhere sunny will do me, so if you've got a photo shoot coming up in the Bahamas, don't forget I'm not just ready and willing, but fully able to boot!*

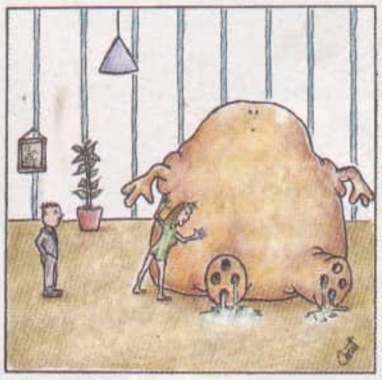
Most Erotic Experience: *We had some computer problems at work a few months ago and called in an expert to sort them out. I was expecting a geek with glasses in a cardigan, but when he turned up he was a total dish! I volunteered to stay behind after-hours to get everything sorted out, and we ended up making love on my desk. I felt so naughty when I sat there the next day! I've been trying to sabotage the system ever since so we'll have to call him back!*

MAYFAIR
Male

continued from p57

Any worries I'd had of lasting three thrusts before shooting my bolt disappeared. Although elated, I felt curiously in control. Watching her writhing on my desk, clasping my hands against her tits and grinding her pussy against my boner, it seemed I was satisfying her nicely, and I wanted to enjoy the experience as long as I could. She was very wet now, and I glanced down to drink in the sight of my cock parting those tight pink lips, seeing her juice glistening on my taut shaft.

I moved down and kissed her again, bucking in and out of her with a fury that shook the desk and scattered my paperwork around the carpet. She moved a hand down between her legs and rubbed her mound. The tips of her fingernails scratched against my shaft, and I thrust my tongue even further into her mouth, gulping at the sweet saliva on her tongue, moving a hand round behind her head and pulling on her silky brown hair a little harder with every moan.



BARNEY WAS CONVINCED HIS WIFE WAS TRYING TO HIDE SOMETHING

Keeping up the pace, I moved my head down to pleasure her tits again, stuffing as much of them into my mouth as possible, biting on her nipples, licking at the crease where her breasts joined the skin over her ribs, feeling her arms locking round the back of my neck and scratching up and down my back as my balls slapped against her.

Finally it was all too much. I really wanted to come all over her tits, to make my fantasies really come true, but I realised my office wasn't really the ideal place to organically whitewash. But looking down at her madly wobbling tits, her unkempt hair, her lipstick smeared over her face and her crimson pussy lips sucking on my meat, I thought – fuck it! With a final groan I pushed as deep into her as I could go, smiled briefly at the loud moan of pleasure I got and pulled out as the first globs of spunk flew from my tip. I felt like a human hosepipe as my come gushed out and splashed against her face, her tits, and coated her stomach and bush. I idly wiped it into her pubes as we both caught our breath.

I thought she might be a little angry, but she just smiled and giggled a bit breathlessly. "You didn't even notice me come in all that lot, did you?" she said. "Thanks."

I looked at her gorgeous face as the spunk slowly dribbled down her cheek. I was still stiff as a board as she wiped it off and eyed it on her finger, before popping it slowly into her mouth. "Not bad," she smiled. I hitched up my trousers. "Sorry about the mess," I lied.

"Oh, that's OK" she said – and wiped herself down with my shirt! Denny giggled as I looked aghast. "At least it's white," she said, heaving her tits back into her bra. "Come round to my place after work and maybe I'll wash it for you – or maybe I'll make it even stickier!"

And after the slowest working day in history had crawled by, I'm glad to say she certainly lived up to her words!

Thomas Jarvis, Bedfordshire

Reply: *That's all very well, Tom, but you didn't tell us if she used your dictaphone that afternoon [you're fired –Ed].*
